## *Buy a Basket(s) to Beautify Hightstown*

Spring is just around the corner and it's time to think about how beautiful our town looked last year with all the hanging baskets. As many of you are aware, the lamp posts are self-watering and self-fertilizing, so the flowers should be beautiful until October. How can we make that happen again this year? You, the businesses and residents of Hightstown, can make that happen. At the present time there are 148 hanging baskets to be filled. Can we count on you?

If the town's businesses and residents participate, then no one business or individual will bear an undue burden of the cost. If you would like to be a part of this project, but can't afford to purchase a basket, any and all contributions would be greatly appreciated. All contributors' names will be listed in the newspaper as supporters of this project.

**The cost of each basket is \$50.00.**

We need to have the funds in hand before the baskets will be ordered. Therefore, we are asking for your checks by **March 31, 2009**. Please make checks payable to **GHEWIP** and use the enclosed self-addressed envelope to mail in your donation.

If you have any questions, you may contact Gary Grubb at 609-448-4495.

*Thank you* in advance for your support in beautifying our town.

***Detach and return with your check in the enclosed self-addressed envelope.***
