## ABOUT THE COLLECTION SYSTEM

### The Cart

The Borough purchased and distributed the new carts, which are specially constructed to use in an automated collection system. The cart is designed for ease of handling, is durable and has a lid, which keeps odors in and moisture out. **It is the ONLY container which can be used with the new system.**

The cart is being provided by the Borough and has a serial number that corresponds to your address. **The cart is the property of the Borough and remains behind for the new resident should you move from you current location.**

Unless you requested something smaller, you received a 95-gallon cart. The capacity of the 95-gallon cart is more than three times greater than the standard residential cart.

There is a weight limit for each cart size. The 65-gallon cart will accommodate 200 pounds of waste. The 95-gallon cart will accommodate 300 pounds of waste. A cart filled with standard household waste will not exceed these limits.

**On collection day, your cart must be placed in the street with the wheels up against the curb. It may be placed in front your driveway or next to your driveway.**

### Bulk Waste Pickup

Bulk waste will be picked up once a month. **Please call for an appointment.** Bulk waste consists of items to be discarded that are too large to fit into your new cart. The exceptions are:

- “White Goods” such as washers, dryers, refrigerators and metals – we will still collect the first Wednesday of each month by appointment.
- Yard Waste and Branch collection will remain the same, Yard Waste on Tuesdays and Branch collection on Wednesdays, both by appointment.
- Grass collection will remain the same, utilizing the biodegradable bags to be purchased from the Borough.

### Holiday Collection

**When your collection day falls on a Holiday, your garbage will be collected on the next business day.**

### Recycling

Recycling will not be impacted by the change in solid waste collection services. Your collection will remain every other Wednesday.

### Daily Collection Schedule

Collection begins at 7:00 A.M. on your scheduled day. Please be sure to place carts at the curb by that time.

### Questions

For more information, please go to our website, [www.hightstownborough.com](http://www.hightstownborough.com) or if you have any questions, please contact the Public Works Department at 609-490-5115.
