What is RSVP?

The **Retired & Senior Volunteer Program (RSVP)** is a nationwide volunteer program that invites adults age 55 and over to use their life experience and skills to answer the call of their community in **need**.

Through **volunteerism**, these adults engage in meaningful and productive activities that support their neighbors and solve community issues.

If you are 55 or older, working, semi-retired or retired, and are looking for ways to stay active and serve your community— then **RSVP** is for you.

RSVP is part of Senior Corps of the Corporation for National and Community Services/.

"I love being part of RSVP. The rewards are apparent in those lives that I am able to touch. And it is great to be part of the retired and senior community in an active and productive way...."

E.L., RSVP Volunteer
