ENGINEER ITEMS

Borough Engineer, Carmela Roberts, reviewed the previous discussion with Council regarding modifications to the UV design at the AWWTP and replacing disk filters, noting Council's concerns with possible additional labor needs and cost. She noted that moving the UV inside will cost approximately \$1.1M versus the \$1.2M previously estimated. She noted that while there is more maintenance for the interior UV, there is no need for additional personnel as the interior filters will require less maintenance. Ms. Roberts advised that the cost to modify the design of the UV would cost approximately half of the original design costs and that she has discussed the changes with the Trust and they do not foresee a problem with approval.

Council President Hansen commented that it is very clear that the modification is the way to go per both Engineers and Mr. Searing, AWWTP Superintendent.

There was discussion regarding warranties and Mayor Quattrone asked for a straw poll vote on the matter. It was unanimous that the modification should be done and the Clerk was directed to put a resolution of approval in the consent agenda at the next meeting.

Ordinance 2015-28 Public Hearing and Final Reading Amending Chapter 28 “Zoning” of the Revised General Ordinances of the Borough of Hightstown Regarding Home-Based Business

Mayor Quattrone opened the public hearing on ordinance 2015-28 and the following individuals spoke:

Eugene Sarafin, 628 S. Main Street – commented that the ordinance is a good idea, but there are nursery schools in residential districts and they are not addressed.

Mayor Quattrone clarified that this ordinance is to restrict businesses that infringe on residents quality of life.

Scott Caster, 12 Clover Lane – commented that he had concerns with several things in the ordinance: under (c), what does one employee mean? The Borough Attorney advised that this language was already in the ordinance and is not part of the amendments.

Mr. Caster then noted that (c) is in conflict with A, it says inhabitants only.

Mr. Underhill advised that this refers to office use versus outside employees, such as a mechanic.

Mr. Caster then inquired as to whether this applies to employees who pick up mail daily.

There was discussion regarding clarification in the ordinance.

Mr. Caster thanked Council for their consideration, and that distribution to purchasers is also a concern.

Eugene Sarafin, 628 S. Main Street – commented that Mr. Caster has a point, every ordinance that comes from the Planning Board is amended by Council; the Planning Board is not doing their job.

There being no further comments, Mayor Quattrone closed the public hearing.

Councilmember Misiura moved Ordinance 2015-28 for adoption; Council President Hansen seconded.

Councilmember Kurs suggested clarifying and tightening up the language in the ordinance before adoption.

Councilmember Misiura noted that there are a few comments, enforcement will be reasonable and violations will be issued for blatant disregard. He suggested adopting the ordinance as it is currently written.

There was discussion regarding enforcement and commercial zones being for businesses while residential zones are for residences.

Mr. Caster interrupted Council's discussion and Councilmember Misiura called for a point of order. The Borough Attorney explained the process for adopting an ordinance and that the public hearing has been closed; this is a discussion amongst Council.

Roll Call Vote: Council members Bluth, Hansen, Misiura and Stults voted yes; Councilmember Kurs voted no.

Mayor Quattrone advised the public that the Borough has received a plaque for their participation in the Complete Streets program noting that the New Jersey Department of Transportation's Complete Streets policy states "A Complete Street is a means to provide safe access for all users by designing and operating a comprehensive, integrated, connected multi-modal network of transportation options". This plaque is in recognition of the Borough's commitment to creating a pedestrian and bikeway system that makes walking and cycling a viable alternative to driving, and which improves bicyclist and pedestrian safety, by creating street corridors that safely accommodate all road users of all abilities and disabilities the Borough was presented with this plaque by the NJ Department of Transportation, the Federal Highway Administration, and Voorhees Transportation Center. The Borough's goal is ultimately to achieve a network of roadways that may safely accommodate travel by pedestrians, bicyclists, public transit, and motorized vehicles and their passengers, with special priority given to pedestrians, bicyclists and those with special needs.

DISCUSSION

Purchase of Police Vehicles

Mr. Underhill reviewed the inventory of police vehicles noting that three are 2013 vehicles and three are 2008 vehicles; the 2008 vehicles are not reliable and cannot be used for front line work. He recommended that two vehicles be purchased in 2016, two the next year, then one each year thereafter. Mr. Underhill requested authorization to begin working on starting the purchases in January, noting that the purchases can be made under the capital budget. George Lang, CFO, reported that all the current Police Department vehicles will be paid for by the end of 2015 and that \$32,000.00 is already built into the budget.

There was discussion regarding financing the new vehicles; making a decision before seeing the entire budget; the need and cost of additional equipment needed for new vehicles; the purchase of four wheel drive vehicles; the possibility of purchasing hybrid vehicles; and other possible capital needs.

It was decided that this matter would be re-visited during budget discussions.

After further discussion it was decided that Mr. Underhill would get more information so Council can decide what is needed.

Salaries for 2016

Mayor Quattrone noted that this discussion does not concern the union employees as the contracts were negotiated last year. Mr. Underhill confirmed that they were four year agreements.

Mr. Underhill noted that the personnel policy permits him to give raises to non-union employees beginning January 1st, however the Council must approve salaries for the Department Heads and certain supervisory employees. In past years, these salaries were established following adoption of the budget, causing retroactive checks to be issued in July or August. He advised that he is attempting to get everyone's salary adjustments in place January 1st, eliminating the need for the retroactive checks. Mr. Underhill noted that it is customary for the Borough to give the same salary adjustments to non-union employees as given per the union contracts, and that would mean a 2% increase.

There was discussion regarding past practices and the need to make the process efficient; personnel morale; and that employees should not wait until mid-year to get their salary adjustments.

Mr. Underhill requested permission to put the 2% increases in effect for January 1st. Council agreed and directed the Clerk to put the resolution for the salaries on the agenda for the December 21st meeting, with the salaries being effective January 1, 2016.

Mayor Quattrone advised that the Borough has been awarded a \$150,000 Small Cities Grant and that these funds will permit residents to improve their property; Hightstown is always improving.

PUBLIC COMMENT PERIOD II

Mayor Quattrone opened the public comment period II and the following individuals spoke:

Marybeth Colvell, 128 Broad Street – commented that she is concerned with the numbers given in the RISE submission as she is aware of several complaints regarding the lack of services provided; she knows of one person who got a Thanksgiving basket, but it had no turkey.

There being no further comments, Mayor Quattrone closed the public comment period.

EMPLOYMENT AGREEMENT

THIS AGREEMENT, made this 1st day of January 2016 , by and between Henry Underhill (hereinafter referred to as the “Administrator”) and the Borough of Hightstown (hereinafter referred to as “Borough”), a municipal corporation of the State of New Jersey as to the terms and conditions of employment for the Administrator with the Borough as follows:

1. Position. The Borough will continue to employ the Administrator as the Borough’s Administrator. Such appointment shall be subject to all of the provisions of applicable law, including, but not limited to, N.J.S.A. 40A:9-136; N.J.S.A. 40A:9-137; N.J.S.A. 40A:9-138; N.J.S.A. 40A:60-1 et seq. and all applicable provisions of the Borough Code, which are not in contradiction to or in contravention of the statutes cited herein. Subject to the supervision and pursuant to the orders and directions of the Mayor and Borough Council and in accordance with any job description promulgated by the Borough, as may be amended from time to time, the Administrator shall perform all the duties prescribed for such position by relevant law, Borough Code, Borough Personnel Policies, as well as all those customarily performed by one holding the position of Administrator, in addition to those duties specifically assigned by the Mayor and Council from time to time.

2. Term of Agreement. Subject to the provisions of N.J.S.A. 40A:9-138 and, if applicable, the Borough Code and further provisions of this Agreement, this Agreement shall govern the terms and conditions of employment for the Administrator through February 6, 2017

3. Manner and Performance of Administrator’s Duties. The Administrator agrees that he will, at all times during this Agreement, abide by all provisions of applicable State, County and local statutes, laws, rules and regulations, perform all of the duties of the position of Administrator, in a faithful and industrious manner, pursuant to the express and/or implicit terms of this Agreement and all applicable statutes, laws, rules and regulations.

4. Compensation. The Administrator shall receive an annual compensation of Eighty two Thousand five Hundred Dollars (\$82,500) per year, less all applicable deductions, except as noted below, payable according to the normal and customary payroll schedule of the Borough, which salary is effective as of January 1, 2016. However, the Administrator shall not be eligible to have pension contributions and/or 401(k) contributions taken from his paycheck. Both parties agree to review the performance of the Administrator as it relates to his compensation as Administrator after December 1, 2016 . Any such increases shall be done by an action of the

Mayor and Borough Council and an amendment to this Agreement. If the Administrator does not work a full calendar year for the Borough, he shall be entitled to a pro-rata share of the annual salary, based on the number of pay periods worked as the Administrator.

5. Hours of Employment. The Administrator shall devote at least Thirty five (35) hours per week to work in his duties as Administrator in Hightstown. This shall be exclusive of any and all governing body and other evening meetings which the Administrator shall either have to attend or be asked to attend.

6. Health Benefits. The Administrator shall receive Borough paid health benefits for himself and his spouse once he has qualified to receive such under the Borough's insurance plan. Since he is a new employee hired on or after June 28, 2011, the Administrator shall be required to pay a health care contribution pursuant to Ch. 78, P.L. 2011, commencing at Level 4 (100% premium contribution percentages).

7. Non Applicability of Overtime. The Administrator and the Borough agree that the Administrator position is an exempt position from any maximum hour requirements found under State or Federal law and, accordingly, the Administrator will not be paid any overtime or any extra compensation above that explicitly stated in this Agreement.

8. Paid Leave Days. The Administrator shall receive the allotment of paid leave days as stated in the Borough's Personnel Policy Manual, as amended from time to time, commensurate with the Administrator's years of service with the Borough, for holidays, vacation leave, bereavement leave, jury leave and/or personal leave. Such leave will be subject to the conditions found in the respective sections of the Borough Personnel Policy Manual to the extent that those conditions apply to the position of the Administrator. The Administrator will receive any other leave, such as Family Leave (State), Family Medical Leave (Federal) and military leave, as provided by law.

9. Professional Development. Subject to the prior written approval of the Mayor, the Administrator will be permitted time off and the reimbursement of expenses (where and if applicable) for professional development and/or attendance at conferences and training seminars, conducted by the New Jersey League of Municipalities, and other seminars and conferences conducted by other agencies/entities. Time off for such activities shall be paid for by the Borough if, and only if, the Administrator's attendance is requested or approved, in writing and in advance, by the Borough. However, if the Administrator's attendance is not requested or

approved, in writing and in advance, by the Borough, then the Administrator's attendance shall be without pay or the use of paid leave from the Borough.

10. Reimbursement of Expenses. Subject to the prior written approval of the Mayor, the Administrator shall be reimbursed for all reasonable expenses incurred specifically on behalf of the Borough. Mileage for any official trips outside the Borough of Hightstown shall be compensated at the applicable IRS rates. Commuting to and from work and intra-Borough travel are excluded. Receipts and proof of expenses shall be submitted monthly in writing to the Borough, with all required backup.

11. Termination of Agreement. The Borough may terminate this Agreement at any time prior to the provisions of Section 2 herein and the employment of the Administrator, pursuant to the provisions of N.J.S.A. 40A:9-138 and Borough ordinances, shall be terminated as per this Paragraph.

12. Termination by Employee. The Administrator shall provide a minimum of thirty (30) calendar days' notice of his intention to resign from the position of Administrator and shall assist the Borough in any transition work required to assist a replacement Administrator.

13. Non-applicability of other Policies/Agreements.

A. The Administrator agrees and acknowledges that the following below are not applicable to his position, except as noted in B below:

- (1) The Hightstown Borough Code;
- (2) The Hightstown Borough Personnel Policy Manual; and,
- (3) Any collective bargaining agreement between the Borough and any recognized bargaining group/association.

B. However, if either the Borough Code or the Borough Personnel Policy Manual specifically address the position of Administrator and such specific language does not contradict the language of this Agreement, the specific language shall apply. Otherwise, the provisions of this Agreement shall control.

14. Entire Agreement. This Agreement contains the sole and entire Agreement between the Administrator and the Borough and shall supersede any and all other Agreements between the Administrator and the Borough as it relates to the position of Administrator. There are no agreements, representations and/or warranties, whether they be express or implied, except as set forth in this Agreement. This Agreement may not be canceled, changed, modified or amended orally. No change, modification or amendment hereof shall be effective or binding unless in a

written instrument signed by the Administrator and the Borough. Cancellation of this Agreement can occur at any time pursuant to law.

15. Waiver. No waiver of any provision of this Agreement shall be valid unless in writing and signed by the person or party against whom the same is applicable.

16. Controlling Law. All of the terms, conditions and other provisions of this Agreement shall be interpreted and governed by the laws of the State of New Jersey.

17. Interpretation and Severability. If any term or provision of this Agreement shall, to any extent, be deemed invalid or unenforceable by a court of competent jurisdiction, the remainder of the Agreement shall not be affected thereby and each remaining term and provision of this Agreement should be valid and enforceable to the extent permitted by law.

IN WITNESS WHEREOF, the parties have hereto, by the signatures of their duly authorized representatives and officers, executed this Agreement on the dates set forth herein.
