Beautify Hightstown - Buy a Basket!

Believe it or not, Spring is right around the corner! Soon we hope to see all of Hightstown in full bloom. The hanging flower baskets adorning the Light Posts, Fountain at the Point, Memorial Park and Public Areas along the Lake Front are a major part of the Spring Awakening.

While some believe that these beautiful impressive flowers are purchased by Hightstown Borough, they are in fact, provided by the generosity of local business owners, residents, and friends who care about our town.

This is the sixteenth year of this annual project and we are once again in need of your help! Downtown Hightstown, Inc.* is asking business owners, residents, and friends of Hightstown to donate \$50 (the cost of one basket of flowers) to help in meeting the goal of \$6,500. Any contribution, no matter the amount, would be greatly appreciated.

Your valuable contributions will help us to continue to maintain and grow this unique Downtown Hightstown Tradition. These flowers brighten the business center of our community, enticing all to take notice of what Hightstown has to offer and to pause and enjoy our unique businesses, diverse restaurants, picturesque Peddie Lake, and the historic Beauty of Our Town.

*Downtown Hightstown, Inc. has been classified a 501(c)(3) non-profit public charity by the IRS
