Believe it or not, Spring is right around the corner! Soon we hope to see downtown Hightstown in full bloom again with hanging flower baskets adorning the light posts, Memorial Park, the Fountain at the Point and other public areas.

While some believe that these beautiful flowers are purchased by Hightstown Borough, they are in fact provided each year by the generosity of our local business owners, residents and friends who care about our town.

To keep this project going (this is our eleventh year), we need your help! Downtown Hightstown, Inc.* is asking local business owners, residents and friends to donate $50 (the cost of one basket of flowers) to help us meet our goal of $6,500. We also realize that times are hard and everyone is struggling in this difficult economy, so any contribution, no matter how small, would be greatly appreciated. Your contribution will help us brighten the downtown area, entice people to patronize our downtown family owned restaurants and businesses, and beautify our town.

* Downtown Hightstown, Inc. has been classified a 501(c)(3) non-profit public charity by the IRS

In order to meet our fund raising goal and make sure the flower baskets public planting areas are ready for Memorial Day, please send your donation today. Checks can be made payable to Downtown Hightstown Inc. and mailed to: 119 First Avenue, Hightstown, NJ, 08520. If you have any questions, please contact Gary Grubb at 609-448-4495.

(Detach and return with your check)
THANK YOU
