WHEREAS, N.J.S.A. 40A:4-19 provides that:

“The governing body may and, if any contracts, commitments or payments are to be made prior to the adoption of the budget, shall by resolution adopted within the first 30 days of the beginning of the fiscal year, make appropriations to provide for the period between the beginning of the fiscal year and the adoption of the budget.

NOW, THEREFORE, BE IT RESOLVED by the Mayor and Council of the Borough of Hightstown, County of Mercer, State of New Jersey as follows:

3. The 2013 Temporary Operating Budget (Water/Sewer), as detailed on the annexed Schedule, totaling \$600,000.00 for Operating and \$817,281.00 for Debt Service is hereby adopted in accordance with N.J.S.A. 40A:4-19.
4. Certified copies of this Resolution shall be provided forthwith to the Treasurer, Chief Financial Officer and Borough Auditor.

Senator Linda Greenstein arrived at this time and was acknowledged and welcomed by Mayor Kirson.

Re-Assessment

Mayor Kirson gave a brief status update on the re-assessment and noted that a more thorough report will be forthcoming at the next meeting.

Borough Hall/Temporary Administrative Offices

Carmela Roberts, Borough Engineer, introduced Dawson Bloom, proposed Project Manager for the temporary facilities and Borough Hall projects; she then advised that the specifications for temporary Administrative offices, a storage trailer and Police Department are ready for advertising, if approved by Council. If approved the pre-bid meeting will be held on January 18th, bids received on January 29th and could be awarded on February 4th. The bid will incorporate site improvements as an option.

The Borough Engineer noted that Police facilities are always custom; they will take approximately three months and are very expensive. A lease on these facilities is much higher and most companies would like to lease them for a minimum of five years. Council may want to consider buying them and making the facility more permanent or lease at a smaller scale to get by until a permanent facility can be established. She suggested that Council move forward with the bids as prepared. There was discussion regarding an interim step for the Police Department and their needs.

The Borough Engineer then reviewed a memo and the three plans she had sent to the Council. The Borough Attorney recommended that Council vote to refer the plan they decide to use to the Planning Board for a non-binding review as this is an acquisition and capital improvement.

There was discussion regarding the plans, using the property for a permanent facility and parking needs, and the re-positioning of the Borough Hall on the present lot. Mr. Bloom advised that the building restrictions in a flood zone for new structures would not apply to the present location because the building already exists. There was discussion regarding the possible permanency of

the facilities and Mr. Bloom gave a briefing on modular facilities. Discussion continued regarding the plans, cost and insurance requirements. Council decided that they would go with plan #3.

Mayor Kirson called a ten minute break at this time. Council re-convened at 9:40pm.

Benediction was given by Suzanne Schaeffer - Coates, the Fire Department Chaplain.

Mayor Kirson confirmed Council's decision to move forward with the bid process using plan #3. He then asked for a roll call vote to send this plan to the Planning Board for review.

Councilmember Doran moved that plan #3 be sent to the Planning Board for their review, Councilmember Thibault seconded.

Roll Call Vote: Council members Bibens, Bluth, Doran, Quattrone, Thibault, and Woods voted yes.

Motion passed 6-0.

The Borough Clerk was instructed to send the appropriate information to the Planning Board for review.

The Borough Clerk and Police Director gave an update on the move for communications and the Engineer noted that the Project Manager proposal is forthcoming.

Mayor/Council/Administrative Comments and Committee Reports

Councilmember Bibens – thanked the public for attending the reorganization meeting and noted that the Council has a lot of work to do in 2013.

Councilmember Bluth – wished everyone a Happy New Year and congratulated the Volunteers on their appointments to the various boards and committees.

Councilmember Thibault – wished everyone a Happy New Year and thanked them for coming to the reorganization meeting.

Councilmember Doran – thanked the Voters and Freeholder Ann Cannon for attending the meeting.

Councilmember Woods – stated that she looks forward to results in 2013.

Council Prescient Quattrone – thanked the Voters and Dignitaries for attending the meeting and apologized for business being conducted during the reorganization meeting; he wishes the January 1st meeting would return.

Mayor Kirson – spoke regarding the Councils of 2011 and 2012, and noted that Government takes time. He commented regarding the cost effectiveness of the Waste Water Treatment and Water Plant improvements, the award won by the Borough Engineer for the design of the post-chlorination tank; he noted that the joint study for the Route 33 corridor is a huge accomplishment and shows a vision for the future of Hightstown. He commented that the 2011 budget was flat and the 2012 budget had a minimum increase, and noted that Council works hard; there has been a reduction in State Aid to the Borough equal to nine cents on the tax rate and the Coca Cola plant closed. He advised that the New Jersey State League of Municipalities has a goal of getting the municipalities back their energy tax receipts which the State took; Council is doing a great job keeping the budget in check given the economic climate. He then congratulated Princeton for recognizing the benefits of combining municipalities. The burden on this Council is to get through 2013, but have the courage to look forward to the future of Hightstown and how we can make this Borough flourish; this is easy to say and hard to do, but we will do our best. He then wishes everyone a Happy New Year and thanked them for attending.

Councilmember Woods moved to adjourn at 10:00pm, Councilmember Thibault, seconded. All ayes.

Respectfully Submitted,

Debra L. Sopronyi, RMC
Borough Clerk
