- 3.0 New Members.** Commission welcomed new members Joanne and Josh Jackson who were sworn in by Mayor Quattrone.
- 4.0 Shade Tree Matters**
  - 4.1 204 Maxwell Avenue. Shade Tree Official recommended the removal of two maple trees located in the ROW in front of this address after these were identified by the DPW as being in poor condition. DPW will attempt to have the trees removed by the utility's tree vendor.
  - 4.2 105 Center Street. Resident at this address called to note that the tree that had been recommended for removal nearly one year ago had not yet been removed. Mr. Grubb will review conditions and will remove the tree if feasible.
  - 4.3 Bank Street Tree Removals. STO was unaware of tree removals along Bank Street and will look into how they were accomplished without STO acceptance.
- 5.0 Parks and Recreation Liaison**
  - 5.1 Community Garden. DPW installed hose bib adjacent to garden. Valve still needs lock. All lots in garden are taken.
- 6.0 Environmental Fair at St. Anthony's Catholic Church**
  - 6.1 Environmental Commission Display. Harold Mulleavey represented the EC and distributed coloring books and brochures. Mr. Mulleavey reported that the Fair was well-attended.

## **7.0 Arbor Day Event**

- 7.1 Arbor Day Ceremony. In celebration of Arbor Day, on April 18<sup>th</sup> the EC planted a tree where one was removed last year on Main Street in front of the Municipal lot adjacent to Tavern on the Lake. Some members of Council attended.
- 7.2 Tree Pruning Clinic. Four members of the EC attended a tree pruning clinic led by Tree Expert, Kevin Scibilia. Attendees agreed it was very worthwhile and that the clinic should be held for DPW staff as well. The clinic satisfies a full year of continuing education units for the EC in 2015.

- 8.1 No current RFP's.

## **9.0 Upcoming Events**

- 9.1 ANJEC Stream Daylighting Seminar to be held on May 19<sup>th</sup> from 7:30 – 9:30 PM at the Hamilton Township Training Center.

## **10.0 Project Submissions**

- 10.1 Grant / Park / Hutchinson Sidewalk Project. The EC bemoaned the process that did not allow reasonable objections to the plans to be heard in time to affect final designs.

- 11.1 Classic Town Survey had been previously distributed. Chair will alert EC to those questions that should be answered by the EC.

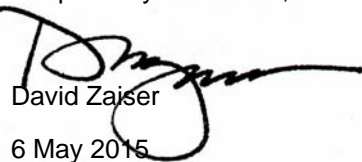

## **12.0 Budget Appropriation**

Respectfully Submitted,
