5.0 Fundraising - Seminars

- Todd Frantz collected some money on August 25 manning the pedal boats at the Peddie Lake. Barbara Jones and Yan Troizier are scheduled to be manning the boats on

September 8.

- A tree identification (and diseases) seminar is scheduled for Saturday, October 14 or 21.
- The Meadow Lakes Community has an environmental group and would like to meet with the Hightstown EC.

6.0 Sustainable Jersey

- Great contribution from Connor Montferrat. The bronze level was reached.
- Community Forestry Plan: the tree canopy goal was presented by David Zaiser and accepted by the Commission.
- Green Fleet: the project received credits for hiring green fleet vendors (garbage disposal)

7.0 Harvest Fair 2017

- Our booth need to attract children. A Hightstown bumper sticker design contest could be put in place for kids, including promoting Sustainable Jersey and Tree City USA.
- Could give away pencils, magnets –
- Need a signup sheet and to promote the tree identification seminar.

8.0 Planning Board review

- El Zorro – Some oversized drywells need to be installed in order to handle the parking lot water overflow. Landscape plans need to be produced with introduction of trees to replace the ones removed.

Some of the parking lot overflow could be redirected towards the back of the property into a rain garden.

Test holes / percolation rates – no results available for review.

The environmental impact study is using outdated data.

Added to agenda:
