28-17 AFFORDABLE HOUSING PROCEDURAL AND ELIGIBILITY REQUIREMENTS

28-17-1 Purpose and General Provisions.

1. The purpose of this Article is to implement the Uniform Housing Affordability Controls (“UHAC”, N.J.A.C. 5:80-26.1 et seq., as they may be amended or superseded), the New Jersey Fair Housing Act (N.J.S.A. 52:27D-301, et seq.), extant rules of the NJ Council on Affordable Housing, and the Housing Element and Fair Share Plan of Hightstown Borough. This Article is designed to ensure that affordable housing created under the Fair Housing Act is occupied by low- and moderate-income households for the appropriate period of time. The words, phrases, and terms herein shall be interpreted to have the same meanings and usages as in the Fair Housing Act and related regulations. It is the further purpose of this Article to regulate the development and management of low- and moderate-income housing units constructed in compliance with these regulations.
2. All units, including those funded with Low Income Housing Tax Credits or other subsidy programs, shall include the required bedroom distribution and income distribution, shall be subject to affordability controls, and shall be affirmatively marketed in accordance with UHAC, with the exception that instead of 10% of all rental affordable units being affordable to households earning 35% or less of the regional median household income by household size, 13% of all rental affordable units shall be affordable to households earning 30% or less of the regional median household income by household size, and all other applicable law.
3. All new construction units shall be adaptable in conformance with N.J.S.A. 52:27D-311a and -311b and all other applicable law.

28-17-2 Affordable Housing Required.

1. Any residential development approved by the Planning Board of the Borough of Hightstown, including those developments consisting in whole or in part of beds counted as a residential dwelling, shall set aside dwelling units for persons of low and moderate income as defined in this Article, except for development within a redevelopment district. Affordable housing within a redevelopment district shall be as established in a redevelopment agreement between the Borough and the redeveloper. Unless otherwise stated or as may be required within specific zoning districts, the minimum set aside shall be 15% of the total number of units if the affordable units will be for rent and 20% of the total number of units if the affordable units will be for sale. In assisted living residence developments, the set-aside shall be a minimum of 10% of the total number of units. At least half of all affordable units shall be affordable to low or very low income households. Except when part of a larger development of a tract zoned or otherwise permitted to be developed at a residential density of 6 units per acre or more, developments of single-family detached and/or duplex or two-family dwellings shall be exempt from the inclusionary development requirements of this section, but shall pay an affordable housing development fee. Properties shall not be permitted to be subdivided to avoid compliance with the inclusionary development requirements of this section.
2. All developers with sites identified for affordable housing pursuant to the most recent Housing Element and Fair Share Plan adopted by the Planning Board and Borough Council of Hightstown, according to their respective duties, shall provide affordable housing units in accordance with the plan. All development, whether residential, commercial, or industrial shall construct units or pay a development fee in accordance with this Article, except as otherwise exempted.
3. This requirement does not give any developer the right to any such rezoning, variance or other relief, or establish any obligation on the part of the Borough of Hightstown to grant such rezoning, variance or other relief.
4. This Borough-wide mandatory set-aside requirement does not supersede the effects or requirements of any inclusionary overlay zoning districts for any inclusionary multi-family residential development that occurs within the boundaries of those districts.
5. In the event that the inclusionary set-aside percentage (15% or 20%, as the case may be) of the total number of residential units does not result in a full integer, the developer may choose one of two options of addressing the fractional unit:
 - a. The developer shall round the set-aside upward to construct a whole additional affordable unit; or
 - b. If the set-aside includes a fractional unit less than 0.5, the developer may round the set-aside downward and construct the lesser whole number of affordable units, but must also make a payment in lieu of constructing the fractional additional unit ("fractional payment in lieu").
 - c. The fractional payment in lieu amount shall be calculated as the fractional unit multiplied by the payment in lieu amount of \$250,000.00, increased annually by the construction Consumer Price Index.
 - d. For example, if seven total units are developed at an inclusionary site, a 20% set-aside would require 1.4 affordable units. Per the requirements above:
 1. The developer may round up the 0.4 unit to one whole affordable unit and construct a total of two affordable units, in accordance with this section; or
 2. The developer may round the set-aside downward, construct only one affordable unit and pay into the Borough's affordable housing trust fund a fractional in lieu payment equal to the dollar amount established hereinabove multiplied by 0.4 units.

28-17-3 Borough Administrative Agent and Administrative Agent.

1. The Borough Council shall yearly appoint a Borough Administrative Agent to monitor sales and resales of affordable housing units, and the leasing of units to tenants. The Borough Administrative Agent may be the Municipal Housing Liaison, but is not required to be the same person.

2. The Borough Administrative Agent shall monitor the designated Administrative Agent of the developer in the initial sales and rental transactions for low- and moderate-income dwellings in accordance with N.J.A.C. 5:80-26.14, as it may be amended or superseded. The developer's Administrative Agent shall have all of responsibilities as put forth in this rule. After the initial sales and rental transactions, the Borough Administrative Agent, the activities of the Administrative Agent for any re-sales or re-rentals. If the Borough Administrative Agent is the Administrative Agent for the municipality, then he or she shall assume all of the duties and responsibilities set forth in N.J.A.C. 5:80-26.14 following the initial renting, sales and occupancy of low- and moderate-income dwellings. The affordability controls set forth in this chapter shall be administered and enforced by the Administrative Agent regardless of association. The primary responsibility of the Administrative Agent shall be to ensure that the restricted units are sold or rented, as applicable, only to low- and moderate-income households in accordance with the Fair Housing Act.
3. The Borough Council may establish a reasonable fee to program participants for the administration of the affordability controls program.
4. The Borough Council shall approve the credentials of any person who is an Administrative Agent by resolution prior to such person engaging in such work in the Borough of Hightstown.
5. The Administrative Agent, whether the Borough Administrative Agent, developer's agent, or a delegated agent, shall have the responsibility to income qualify low and moderate-income households, to place income eligible households in low- and moderate-income units upon initial occupancy, to provide for the initial occupancy of low- and moderate-income units with income qualified households, to continue to qualify households for re-occupancy of units as they become vacant during the period of affordability controls, to assist with advertising and outreach to low- and moderate-income households, and to enforce the terms of the deed restriction and mortgage loan. The Administrative Agent shall provide counseling services to low- and moderate-income applicants on subjects such as budgeting, credit issues, mortgage qualification, rental lease requirements and landlord/tenant law.
6. The Borough Administrative Agent shall coordinate his or her activities with any outside Administrative Agent to ensure the accurate tracking of the progress of affordable housing in the municipality, answer inquiries regarding affordable housing from the public or direct same to the appropriate official or agency, and comply with the affordable housing monitoring and reporting requirements of the state.
7. In order to ensure an orderly transfer of control responsibility from a municipality to an administrative agent, from one administrative agent to another administrative agent, or other transfer, the requirements as set forth in N.J.A.C. 5:80-26.17 shall apply as are necessary before or during the transition. The Administrative Agent's enforcement responsibility for implementing such practices and procedures shall not be delegated or otherwise transferred to any other party, except to a successor administrative agent and as approved by the Borough Council.
8. By accepting state funds for affordable housing purposes, or by submitting to the jurisdiction of the NJ Council on Affordable Housing or its successor agency, the Borough of Hightstown shall be deemed to have delegated to the Administrative Agent the day-to-day responsibility for implementing practices and procedures designated to ensure effective compliance with the controls set forth in this Article. The governing body of the municipality, however, shall retain the ultimate responsibility for ensuring effective compliance with the requirements as set forth in UHAC and any settlement agreements pertaining to affordable housing matters.
9. The Borough Administrative Agent shall complete and return to the NJ Council on Affordable Housing (COAH), its successor, or court of competent jurisdiction all forms necessary for monitoring requirements related to dwelling units in affordable housing projects and the collection of development fees from residential and non-residential developers, payments in lieu of constructing affordable units on site, funds from the sale of units with extinguished controls, barrier free escrow funds, rental income, repayments from affordable housing program loans, and any other funds collected in connection with the Borough of Hightstown's approved housing program, as well as to the expenditure of revenues and implementation of the approved plan.
10. The Borough Administrative Agent shall keep records of the affirmative marketing activities undertaken in accordance with the affirmative marketing plan established by any developer's administrative agent. The records shall include, but not be limited to, the following:

- a. Electronic reporting of affordable housing activity; any required paper forms;
- b. Copies of any press releases, brochures, flyers, print advertisements and application forms used in the affirmative marketing program.
- c. The income and demographic characteristics of each household applying for and occupying income-restricted housing.

28-17-5 Household Income Limitations.

1. The incomes of low- and moderate-income households occupying affordable housing shall not exceed the income limits as of January 1 of the current year.
2. Median Income Determination. Income limits for all units for which income limits are not already established through a federal program exempted from the Uniform Housing Affordability Controls pursuant to N.J.A.C. 5:80-26.1 shall be updated by the Borough annually following the publication of determinations of median income by the U.S. Department of Housing and Urban Development (HUD) and calculation by the Affordable Housing Professionals of New Jersey in the absence of such calculation by COAH.
3. Affordable Housing Purchase or Rent. Very low-income housing units shall be reserved for households with a gross household income less than or equal to 30% of the median regional income. Very low-income households shall be considered a subset of low-income units. Of the number of very low-income households, at least 50% shall be for family households. Low-income housing units shall be reserved for households with a gross household income less than or equal to 50% of the median regional income. Moderate-income units shall be reserved for households with a gross household income more than 50% but equal to or less than 80% of the median income.

28-17-6 Household Income Verification.

1. Any Administrative Agent shall secure the information from applicant households necessary and appropriate to determine that restricted dwellings are occupied by properly sized households with appropriate very low, low or moderate income levels. No household may be referred to a restricted dwelling, or may receive a commitment with respect to a restricted dwelling, unless that household has received a signed and dated certification, as set forth in this section, and has executed the certificate in the form provided.
2. Any Administrative Agent shall use a random selection process to select occupants of very low-, low- and moderate-income housing.
3. Any Administrative Agent shall prepare a standard form of certification and shall sign and date one for each household when certified. This certification shall be known as a Certificate of Eligibility and shall be a prerequisite for the purchase or rental of an income-restricted dwelling. An initial certification shall be valid for no more than 180 days unless a valid contract for sale or lease has been executed within that time period. In this event, certifications shall be valid until such time as the contract for sale or lease is ruled invalid and no occupancy has occurred. Certifications may be renewed in writing at the request of a certified household for an additional period of 180 days at the discretion of the Borough Administrative Agent or Administrative Agent.

4. When reviewing an applicant household's income to determine eligibility, any Administrative Agent shall compare the applicant household's total gross annual income to the regional very low-, low- and moderate-income limits then in effect, as approved by the court of competent jurisdiction. For the purposes of this subchapter, income includes, but is not limited to, wages, salaries, tips, commissions, alimony, regularly scheduled overtime, pensions, social security, unemployment compensation, Temporary Assistance for Needy Families (TANF), verified regular child support, disability, net income from business or real estate, and income from assets such as savings, certificates of deposit, money market accounts, mutual funds, stocks, bonds and imputed income from non-income producing assets, such as equity in real estate.
5. Except as otherwise specifically stated in this subchapter, the sources of income considered by the Borough Administrative Agent or Administrative Agent shall be the types of regular income reported to the Internal Revenue Service and which is eligible to be used for mortgage loan approval. Household annual gross income shall be calculated by projecting current gross income over a 12-month period.
6. Assets not earning a verifiable income shall have an annual imputed interest income using a current average annual savings interest rate. Assets not earning income include, but are not limited to, present real estate equity. Applicants owning real estate shall produce documentation of a market value appraisal and outstanding mortgage debt. The difference shall be treated as the monetary value of the asset and the imputed interest added to income. If the applicant household owns a primary residence with no mortgage on the property valued at or above the regional asset limit, a Certificate of Eligibility shall be denied by the Borough Administrative Agent or Administrative Agent, unless the applicant's existing monthly housing costs (including principal, interest, taxes, homeowner and private mortgage insurance, and condominium and homeowner association fees as applicable) exceed 33% of the household's eligible monthly income.
7. Rent from real estate shall be considered income, after deduction of any mortgage payments, real estate taxes, property owner's insurance and reasonable property management expenses as reported to the Internal Revenue Service. Other expenses are not deductible. If actual rent is less than fair market rent, the Borough Administrative Agent or Administrative Agent shall impute a fair market rent.

9. Any Administrative Agent shall require each member of an applicant household who is 18 years of age or older to provide documentation to verify the member's income, including income received by adults on behalf of minor children for their benefit. Household members 18 years of age or older who do not receive income must produce documentation of current status. Income verification documentation may include, but is not limited to, the following for each and every member of a household who is 18 years of age or older:
 - a. Four consecutive pay stubs, not more than 120 days old, including bonuses, overtime or tips, or a letter from the employer stating the present annual income figure;
 - b. Copies of Federal and State income tax returns for each of the preceding three tax years;
 - c. A letter or appropriate reporting form verifying monthly benefits such as Social Security, unemployment, TANF, disability or pension income (monthly or annually);
 - d. A letter or appropriate reporting form verifying any other sources of income claimed by the applicant, such as alimony or child support;
 - e. Income reports from banks or other financial institutions holding or managing trust funds, money market accounts, certificates of deposit, stocks or bonds; and

- f. Evidence or reports of income from directly held assets such as real estate or businesses.
 - g. Court ordered payments for alimony or child support to another household, whether or not it is being paid regularly, shall be excluded from income for purposes of determining income eligibility.
10. At the discretion of the Borough Administrative Agent or Administrative Agent, households may also be required to produce documentation of household composition for determining the correct dwelling size and applicable median income guide.
 11. Tenant Income Eligibility. In addition to the foregoing requirements, tenant income eligibility shall be in accordance with the median income limits of N.J.A.C. 5:80-26.13. Very low-income rental units shall be reserved for households with a gross household income less than or equal to 30% of the regional median household income by household size. Low-income rental units shall be reserved for households with a gross household income less than or equal to 50% of the regional median household income by household size. Moderate-income rental units shall be reserved for households with a gross household income less than 80% of the regional median household income by household size.
 12. The Administrative Agent shall certify a household as eligible for a restricted rental unit when the household is a very low-income, low-income household or a moderate-income household, as applicable to the unit, and the rent proposed for the unit does not exceed 35% (40% for age-restricted units) of the household's eligible monthly income as determined pursuant to N.J.A.C. 5:80-26.16, as may be amended and supplemented; provided, however, that this limit may be exceeded if one or more of the following circumstances exists:
 - a. The household currently pays more than 35% (40% for households eligible for age-restricted units) of its gross household income for rent, and the proposed rent will reduce its housing costs;
 - b. The household has consistently paid more than 35% (40% for households eligible for age-restricted units) of eligible monthly income for rent in the past and has proven its ability to pay;
 - c. The household is currently in substandard or overcrowded living conditions;

§ 28-17-7 Certificate of Eligibility, Waiting List and Selection

- A. If the household is found to be eligible for low- and moderate-income housing, they shall be issued a Certificate of Eligibility and placed on the affordable housing waiting list, except in the event that such a certificate is withheld or removed in accordance with this section. Eligible persons that live or work within the East Central Housing Region (Region 4) shall have preference over those that live or work in another housing region.
- B. Applicants shall be selected in the order in which their applications are certified and in accordance with the provisions of this section.
- C. Households remaining on a waiting list shall update its application no later than April 30 each year, including the most recent federal income tax return of each member of the proposed household and such other updated income and other information requested on the application.

- D. Households on the waiting list who have not submitted the required information by May 15 each year shall be notified by certified mail, mailed to the address on file that they have until June 30 of that year to provide the information or they shall be removed from the waiting list.
- E. Any household whose income or priority category has changed such that the household has become eligible for a different category of housing or priority list shall be placed on the appropriate list without penalty or favor as of the date of the original application.
- F. Any household whose income has increased to the degree that it is no longer eligible for low or moderate income housing shall be removed from the waiting list.
- G. If the Borough Administrative Agent or Administrative Agent has reason to believe that the information on file is erroneous or incomplete, he or she shall have the right to conduct an investigation and request any additional information deemed necessary to obtain accurate household information. If an applicant does not cooperate in such investigation or refuses to reply with the requested additional information within 30 days of said request, the applicant shall be removed from the list.
- H. All applications shall be notarized and certified complete and accurate. Anyone knowingly submitting incomplete, inaccurate, incorrect or false information may be removed from eligibility for very low-, low- and moderate-income dwellings. All information submitted to the Borough Administrative Agent or Administrative Agent for the purposes of determining applicant eligibility shall be strictly confidential and not considered a public record.
- I. Prior to the time of availability of a very low-, low- and moderate-income dwelling, the Borough Administrative Agent or Administrative Agent shall notify by certified mail the top three households on the waiting list for the type of dwelling available, its location and the estimated date it will be available. If a purchaser or tenant cannot be found from the top three households on the waiting list, notice shall be sent to the fourth, fifth, etc., household until a purchaser or tenant is found. The household shall, within 14 days of mailing, notify the Borough Administrative Agent or Administrative Agent, in writing, of its intent to occupy the dwelling and, if selected, its intent to comply with the requirements of paragraph –I, below, within 15 days. Any household which fails to respond to the notice or chooses to reject a specific dwelling by informing the Administrative Agent in writing, shall retain its priority and shall be notified of available dwellings in the future, except that if a household chooses to reject a dwelling or fails to respond three times, it shall be removed from the list and must reapply and re-qualify if it wishes to be placed on the list at a new qualified priority.
- J. At the time of notice to a household of the availability of an appropriate type of dwelling and if the household notifies the Administrative Agent of its intent to occupy the dwelling and that household is selected for occupancy, each household member shall update the records on file and recertify the accuracy of the information as required herein. Information shall be reviewed and the eligibility status reconfirmed. The household selected shall only at that point proceed to make the legal and financial arrangements to acquire or lease the dwelling.
- K. If a household selected for occupancy is unable to obtain financing, it shall lose its eligibility for that dwelling, after notice, but shall retain its priority status for a similar appropriate dwelling as other dwellings become available and as long as the household remains eligible. When notified of the availability of another dwelling, updating and recertifying data as outlined in Subsection –H above is required.
- L. A certificate of eligibility may be withheld by the Borough Administrative Agent or Administrative Agent as a result of an applicant's inability to demonstrate sufficient present assets for down payment or security deposit purposes.
- M. A certificate of eligibility may be withheld by the Borough Administrative Agent or Administrative Agent as a result of an applicant's inability to verify funds claimed as assets, household composition or other facts represented.
- N. A certificate of eligibility shall be denied by the Borough Administrative Agent or Administrative Agent as a result of any willful and material misstatement of fact made by the applicant in seeking eligibility.

28-17-10 Affordability Controls for Ownership Units.

- A. The affordability control period for a restricted ownership dwelling shall commence on the date the initial certified household takes title to the dwelling.
- B. 2. The municipal construction code official shall inspect the available affordable resale unit for construction and property maintenance code violation(s). The code official shall submit in writing to the owner and the Borough Administrative Agent a listing of the violation(s). 3. Upon the first such non-exempt sale of the Property, 95% of the difference between, (i), the actual sale price; and (ii), the regulated maximum sales price that would be applicable were the period of affordability controls on restricted units still in effect, shall be paid at closing to the Borough of Hightstown; or, to the NJ Department of Community Affairs or NJ Housing and Mortgage Finance Agency, when acting as receiving agent for the municipality.  3. The entry and enforcement of any judgment of foreclosure.
- E. Rent Restrictions for Rental Units; Leases.
1. A written lease shall be required for all restricted rental units, and tenants shall be responsible for security deposits and the full amount of the rent as stated on the lease. A copy of the current lease for each restricted rental dwelling shall be provided to the Borough Administrative Agent.
 2. No additional fees or charges shall be added to the approved rent without the express written approval of the Borough Administrative Agent.
 3. Application fees (including the charge for any credit check) shall not exceed 5% of the monthly rent of the applicable restricted dwelling and shall be payable to the Borough Administrative Agent to be applied to the costs of administering the controls applicable to the dwelling as set forth in this Article.

28-17-12 Accessibility Requirements.

The following barrier free accessibility and adaptability requirements shall apply to all new construction:

- A. The first floor of all restricted townhouse dwelling units and all restricted units in all other multistory buildings shall be subject to the technical design standards of the Barrier Free Sub-code, N.J.A.C. 5:23-7.
- B. All restricted townhouse dwellings and all restricted units in other multistory buildings in which a restricted dwelling is attached to at least one other dwelling shall have the following features:
1. An adaptable toilet and bathing facility on the first floor;
 2. An adaptable kitchen on the first floor;
 3. An interior accessible route of travel on the first floor;
 4. An interior accessible route of travel shall not be required between stories within an individual dwelling;
 5. An adaptable room that can be used as a bedroom, with a door or the casing for the installation of a door, on the first floor; and
 6. An accessible entranceway in accordance with N.J.S.A. 52:27D-311a, et seq. and the Barrier Free Sub-code, N.J.A.C. 5:23-7, or evidence that the municipality has collected funds from the developer sufficient to make 10% of the adaptable entrances in the development accessible:
 - a. Where a dwelling has been constructed with an adaptable entrance, upon the request of a disabled person who is purchasing or will reside in the dwelling, an accessible entrance shall be installed.
 - b. To this end, the developer of restricted units shall deposit funds within the affordable housing trust fund of the Borough of Hightstown sufficient to install accessible entrances in 10% of the affordable units that have been constructed with adaptable entrances.
 - c. The funds deposited under sub-paragraph –(b) above shall be used by the Borough for the sole purpose of making the adaptable entrance of any affordable dwelling accessible

when requested to do so by a person with a disability who occupies or intends to occupy the dwelling and requires an accessible entrance.

7. The developer of the restricted units shall submit a design plan and cost estimate for the conversion from an adaptable to an accessible entrance to the Construction Code Official.
8. Once the Construction Code Official has determined that the design plan to convert the unit entrances from adaptable to accessible meet the requirements of the Barrier Free Subcode, N.J.A.C. 5:23-7, and that the cost estimate of such conversion is reasonable, payment shall be made into the municipality's affordable housing trust fund by the Chief Financial Officer who shall ensure that the funds are deposited into the affordable housing trust fund and appropriately earmarked.
9. Full compliance with the foregoing provisions shall not be required where an entity can demonstrate that physical or environmental conditions of the site render it impracticable to meet the requirements. Determinations of site impracticability shall be in compliance with the Barrier Free Subcode, N.J.A.C. 5:23-7.

28-17-13 Exempt Transactions.

- A. The following transactions shall be deemed "non-sales" for purposes of these regulations and the owner receiving title by virtue of any of the following transactions shall be entitled to a statement of exemption to the owner receiving title by virtue of any of the following transactions:
 1. Transfer of ownership of an affordable sales unit between husband and wife;
 2. Transfer of ownership of an affordable sales unit between former spouses ordered as a result of a judicial decree of divorce (and not including sales to third parties);
 3. Transfer of ownership of an affordable unit between family members as a result of inheritance;
 4. Transfer of ownership of an affordable unit through an executor's deed to a Class A beneficiary;
 5. Transfer of ownership of an affordable unit through an order of the Superior Court or other court, in a foreclosure proceeding or transfer in lieu of foreclosure after a foreclosure proceeding has commenced.
- B. Except for the income level of the family acquiring title by an exempt transaction, the exempt transfer will not eliminate any restrictions set forth herein including, but not limited to, the unit remaining the prime resident and the requirement for resale to low and moderate income families as applicable and all such restrictions shall remain in effect following the exempt transfer except as stated in subsection -A.5.
- C. Should a mortgagee acquire title pursuant to subsection -A.5 it may re-sell the unit to any family, regardless of income, with the municipality having the right of first refusal. The sales price to the municipality is the amount necessary to cure the foreclosure. This includes all principal and interest due to the mortgagee and other lien holders, repayment of equity to the owner prior to foreclosure and the costs of foreclosure. If the municipality does not purchase the unit, the mortgagee may sell the unit without any of the restrictions set forth in this section. The amount of the sale above that which is necessary to cure the foreclosure will be turned over to the municipality to be used for low and moderate income housing.

28-17-14 Leasing Restriction.

Initial and subsequent owners of affordable housing units shall occupy the dwelling as their principal residence. Rental or subleasing of the affordable housing unit is expressly forbidden.

28-17-15 Effect on Landlord and Tenant Relationship.

- A. Nothing in these rules should be construed to limit the rights and duties of the owner and tenant to maintain the dwelling in accordance with all appropriate New Jersey State or municipal construction and property maintenance codes.

- B. Notwithstanding anything to the contrary in this Article, any member of a household occupying a dwelling under this Article and subject to the regulations of the Borough of Hightstown is subject to eviction for any reasons allowed under applicable New Jersey law. The provisions of this Article are not intended to confer any additional rights or obligations on property owners or tenants other than those mandated by statute or required by the courts of the State of New Jersey or the duly adopted regulations of any of its agencies.

28-17-16 Affirmative Marketing for Affordable Housing.

- A. Purpose. The purpose of this Section is to establish administrative procedures to ensure a wide dissemination of knowledge of affordable housing units as they become available to the low and moderate income population, and that the selection of tenants or homeowners, as the case may be, meets the requirements of UHAC.
- B. An Affirmative Marketing Plan is a regional marketing strategy designed to attract buyers and/or renters of all majority and minority groups, regardless of race, creed, color, national origin, ancestry, marital, or familial status, gender, affectional or sexual orientation, disability, age or number of children to housing units which are being marketed by a developer or sponsor of affordable housing. An Affirmative Marketing Plan is also intended to target those potentially eligible persons who are least likely to apply for affordable units in that region.
- C. Affirmative Marketing Requirements. Within the overall framework of the municipality's affirmative marketing program, all affordable housing units in Hightstown Borough shall be marketed in accordance with the provisions in this Section unless otherwise provided for in N.J.A.C. 5:80-26-1. An Affirmative Marketing Plan shall be created for each development that contains or will contain low and moderate income units, including those that are part of the Borough's prior round Housing Element and its current Housing Element and those that may be constructed in future developments not yet anticipated. This Affirmative Marketing Plan shall also apply to any rehabilitated units that are vacated and re-rented during the applicable period of controls for rehabilitated rental units when Hightstown is allocated a rehabilitation component.
- D. Plan Preparation. The Borough Administrative Agent or Administrative Agent shall prepare an Affirmative Marketing Plan for each affordable housing program, as applicable, comporting with N.J.A.C. 5:80-26.15, for review and approval by the Borough Administrative Agent. The Borough Administrative Agent of the Borough shall oversee the work of a developer's Administrative Agent provided that the person has been approved by the Borough Administrative Agent. Regardless of the drafting agent, the Affirmative Marketing Plan is intended to be used by developers of affordable housing restricted to low and moderate income households located within the municipality. The Administrative Agent responsible for specific affordable housing programs or developments shall ensure that the affirmative marketing of all affordable units is consistent with these provisions.
- E. Affirmative Marketing Implementation. The Affirmative Marketing Plan includes regulations for qualification of income eligibility, price and rent restrictions, bedroom distribution, affordability control periods, and unit marketing in accordance to N.J.A.C. 5:80-26. All newly created affordable units will comply with the thirty-year affordability control required by UHAC, N.J.A.C. 5:80-26-5 and 5:80-26-11. This plan will be adhered to by all private, non-profit or municipal developers of affordable housing units and will cover the period of deed restriction or affordability controls on each affordable unit. The Affirmative Marketing Plan for each affordable housing development shall meet the following minimum requirements:
 1. The Affirmative Marketing Plan shall provide a regional preference for all households that live and/or work in Housing Region 4, comprised of Mercer, Monmouth and Ocean Counties.
 2. Although the Borough has the ultimate responsibility for implementing all aspects of Hightstown's affordable housing program, the Administrative Agent designated by the Borough Administrative Agent shall assure that the affirmative marketing of all affordable units is consistent with the Affirmative Marketing Plan for the municipality.
 3. The Administrative Agent shall provide a list of counseling services to low and moderate income applicants on subjects such as budgeting, credit issues, mortgage qualification, rental lease requirements, and landlord/tenant law.

4. The affirmative marketing process for available affordable units shall begin at least four months prior to the expected date of occupancy. Advertising and outreach shall take place during the first week of the marketing program and each month thereafter until all of the affordable units have been leased or sold.
5. The costs of advertising and affirmative marketing of the affordable units shall be the responsibility of the developer, sponsor or owner, unless otherwise determined or agreed to by the Borough of Hightstown.
6. The Affirmative Marketing Plan for each affordable housing development shall describe the media to be used in advertising and publicizing the availability of housing. In implementing the Affirmative Marketing Plan, the Administrative Agent shall consider the use of language translations where appropriate.
7. Applications for affordable housing shall be available in several locations, including, at a minimum, the County Administration Building and/or the County Library for each county within the housing region; the municipal administration building and the municipal library in Hightstown; and the developer's rental office. Applications shall be mailed to prospective applicants upon request.
8. The Borough Administrative Agent shall develop, maintain and update a list of community contact person(s) and/or organizations(s) in the Region 4 Housing Area for the use of the Borough and other Administrative Agents. In addition, the list shall also include Fair Share Housing Center, the New Jersey State Conference of the NAACP, the Latino Action Network, the Trenton, Greater Red Bank, Asbury Park/Neptune, Bayshore, Greater Freehold, Greater Long Branch Branches of the NAACP, Shiloh Baptist Church, and the Supportive Housing Association, which entities shall receive specific notice of all available affordable housing units along with copies of application forms. This list shall be updated periodically. The list shall contain organizations that will aid in the affirmative marketing program with particular emphasis on contacts with outreach to groups and individuals that are least likely to apply for affordable housing within the region. A representative sample of the organizations on the list not otherwise requiring specific notice herein shall be contacted as part of the affirmative marketing effort as approved by the Borough Administrative Agent.
9. The Affirmative Marketing Plan shall be approved by the Borough Administrative Agent prior to implementation.

28-17-17 Violations of Affordable Housing Regulations.

- A. Upon the occurrence of a breach of any of the regulations governing the affordable dwelling by an owner, developer or tenant the municipality shall have all remedies provided at law or equity, including but not limited to foreclosure, tenant eviction, municipal fines, a requirement for household recertification, acceleration of all sums due under a mortgage, recoupment of any funds from a sale in the violation of the regulations, injunctive relief to prevent further violation of the regulations, entry on the premises, and specific performance.
- B. After providing written notice of a violation to an owner, developer or tenant of a low- or moderate-income dwelling and advising the owner, developer or tenant of the penalties for such violations, the municipality may take the following action against the owner, developer or tenant for any violation that remains uncured for a period of 60 days after service of the written notice:
 1. The municipality may file a court action pursuant to N.J.S.A. 2A:58-11 alleging a violation, or violations, of the regulations governing the affordable housing unit. If the owner, developer or tenant is found by the court to have violated any provision of the regulations governing affordable housing units the owner, developer or tenant shall be subject to one or more of the following penalties, at the discretion of the court:

- a. A fine of not more than \$1,000.00 or imprisonment for a period not to exceed 90 days, or both. Each and every day that the violation continues or exists shall be considered a separate and specific violation of these provisions and not as a continuing offense;
 - b. In the case of an owner who has rented his or her low- or moderate-income dwelling in violation of the regulations governing affordable housing units, payment into the Borough of Hightstown's Affordable Housing Trust Fund of the gross amount of rent illegally collected;
 - c. In the case of an owner who has rented his or her low or moderate income unit in violation of the regulations governing affordable housing units, payment of an innocent tenant's reasonable relocation costs, as determined by the court.
 2. The municipality may file a court action in the Superior Court seeking a judgment, which would result in the termination of the Owner's equity or other interest in the dwelling, in the nature of a mortgage foreclosure. Any judgment shall be enforceable as if the same were a judgment of default of the first purchase money mortgage and shall constitute a lien against the low and moderate income unit.
 3. Such judgment shall be enforceable, at the option of the municipality, by means of an execution sale by the County Sheriff, at which time the low and moderate income unit of the violating owner shall be sold at a sale price which is not less than the amount necessary to fully satisfy and pay off any first purchase money mortgage and prior liens and the costs of the enforcement proceedings incurred by the municipality, including attorney's fees. The violating owner shall have the right to possession terminated as well as the title conveyed pursuant to the Sheriff's sale.
- C. The proceeds of the Sheriff's sale shall first be applied to satisfy the first purchase money mortgage lien upon the dwelling and any prior liens on the dwelling. The excess, if any, shall be applied to reimburse the Borough for any and all costs and expenses incurred in connection with either the court action resulting in the judgment of violation or the Sheriff's sale. In the event that the proceeds from the Sheriff's sale are insufficient to reimburse the Borough in full as aforesaid, the violating owner shall be personally responsible for the deficiency, in addition to any and all costs incurred by the Borough in connection with collecting said deficiency. The remainder, if any, up to a maximum of the amount the owner would be entitled to if he or she were to sell the dwelling as permitted by N.J.S.A. 5:80-26.1 et seq., shall be placed in escrow by the Borough for the owner and shall be held in such escrow for a period of two years or until such time as the owner shall make a claim with the Borough for the same. Failure of the owner to claim said sum within the two-year period shall automatically result in a forfeiture of said remainder to the municipality and paid into the Affordable Housing Trust Fund. Any interest accrued or earned on the remainder while being held in escrow shall belong to and shall be paid to the Hightstown Borough Affordable Housing Fund whether the remainder is paid to the owner or forfeited to the Borough. Any excess funds derived over and above the sum due the owner shall be paid over to the Borough's Affordable Housing Trust Fund.
- D. Foreclosure by the municipality due to violation of the regulations governing affordable housing units shall not extinguish the restrictions of the regulations governing affordable housing units as the same apply to the low and moderate income unit. Title shall be conveyed to the purchaser at the Sheriff's sale, subject to the restrictions and provisions of the regulations governing the affordable housing dwelling. The owner determined to be in violation of the provisions of this plan and from whom title and possession were taken by means of the Sheriff's sale shall not be entitled to any right of redemption.
- E. If there are no bidders at the Sheriff's sale, or if insufficient amounts are bid to satisfy the first purchase money mortgage and any prior liens, the municipality may acquire title to the low- and moderate-income unit by satisfying the first purchase money mortgage and any prior liens and crediting the violating owner with an amount equal to the difference between the first purchase money mortgage and any prior liens and costs of the enforcement proceedings, including legal fees and the maximum resale price for which the low- and moderate-income unit could have been sold under the terms of the regulations governing affordable housing units. This excess shall be treated in the same manner as the excess which would have been realized from an actual sale as previously described.

- F. Failure of the very low-, low- and moderate- income unit to be either sold at the Sheriff's sale or acquired by the municipality shall obligate the owner to accept an offer to purchase from any qualified purchaser which may be referred to the owner by the municipality, with such offer to purchase being equal to the maximum resale price of the low- and moderate-income unit as permitted by the regulations governing affordable housing units.
- G. The owner shall remain fully obligated, responsible and liable for complying with the terms and restrictions of governing affordable housing units until such time as title is conveyed from the owner.
- H. Right to Cure. The Borough may, at its option, advance and pay all sums necessary to protect, preserve and retain the dwelling as an affordable dwelling, subject to the terms of this Article. All sums so advanced and paid by the Borough shall become a lien against said dwelling and shall have a higher priority than any lien except the first purchase money mortgage lien and liens by duly authorized government agencies. Such sums may include but are not limited to insurance premiums, taxes, assessments (public or private) and costs of repair necessary to bring the dwelling up to any and all applicable local, state or federal codes and liens which may be or become prior and senior to any first purchase money mortgage as a lien on the dwelling or any part thereof. If, in the event of a default or nonpayment by the owner of an affordable dwelling, any first mortgagee or other creditor of an owner of an affordable dwelling exercises its contractual or legal remedies available, the owner shall notify the Administrative Agent and the Borough Solicitor of the Borough, in writing, within 10 days of notification by the first mortgagee or creditor and no later than 10 days after service of any summons and complaint, and the Borough shall have the option to purchase, redeem or cure any default upon such terms and conditions as may be agreeable to all parties in interest and/or to acquire the first purchase money mortgage to the dwelling, thereby replacing the first mortgagee as the first mortgagee of the dwelling. The Borough shall have the same priority of lien as was held by the first mortgagee at the time the Borough acquires such first purchase money mortgage and shall have the right of subrogation with respect to any other claim or lien it satisfies or acquires.
- I. Provisions for First Purchase Money Mortgagees.
 - 1. The terms and restrictions of this section shall be subordinate only to a first purchase money mortgage lien on any affordable dwelling and in no way shall impair the first mortgagee's ability to exercise the contract remedies available to it in the event of default as set forth in the first purchase money mortgage. The first mortgagee and/or mortgage servicer shall serve written notice upon the Borough within 10 days after the first purchase money mortgage is two months in arrears and again within 10 calendar days of the filing of a complaint seeking foreclosure of the first purchase money mortgage held on an affordable dwelling. However, a judgment of foreclosure upon the property shall in no instance terminate the conditions and requirements of this Article maintaining the dwelling as an affordable, income-restricted residence.
 - 2. The obligation of the first mortgagee and servicer to notify the Borough shall cease automatically and immediately upon the sale of the first purchase money mortgage to the Federal National Mortgage Association or in the secondary mortgage market, unless the rules and regulations or guidelines of the Federal National Mortgage Association are amended so as to not prohibit or exclude placing such obligation upon the holder of the mortgage or its service representative, in which case, an instrument duly evidencing the same shall be recorded with the Register of Deeds, Mercer County, New Jersey, before any such obligation shall exist. Provided that the first mortgagee is obligated to give the Borough the above-mentioned notices, the first mortgagee shall also serve written notice of any proposed foreclosure sale upon the Borough at least 30 days prior to the first scheduled date of such sale. The first mortgagee shall serve notice upon the Borough within 30 days of the sale of the first purchase money mortgage to the Federal National Mortgage Association or in the secondary mortgage market.
 - 3. The Borough of Hightstown or any instrumentality designated by the Borough shall have the right to purchase any mortgage which is in default at any time prior to the entry of a foreclosure judgment or within the redemption period thereafter. Notification of a default and of the institution of a foreclosure action and of a sheriff's sale shall be served, in writing, upon the Borough Clerk

and Municipal Attorney. The Borough of Hightstown shall at all times be considered a party in interest and shall have the right to be joined as a party defendant and/or shall have the right to intervene in any foreclosure action seeking foreclosure of a first mortgage and/or shall have the right to redeem and acquire the owner's equity of redemption or to acquire the dwelling from the owner upon such terms and conditions as may be determined by the Borough.

4. Surplus funds. In the event of a foreclosure sale by the holder of the first purchase money mortgage, the owner shall be personally obligated to pay to the Borough any excess funds, but only to the extent that such excess funds exceed the difference between what the owner could have resold his dwelling for under this Article at the time of the foreclosure sale and the amount necessary to redeem and satisfy the first purchase money mortgage debt, including costs of foreclosure and costs of repairs necessary to bring the dwelling up to any and all applicable local, state or federal codes. For the purposes of this subsection, excess funds shall be the total paid to the sheriff in excess of the amount required to pay and satisfy the first purchase money mortgage, including the costs of foreclosure, even if junior creditors actually receive payment from said surplus funds to the exclusion of the owner. The Borough is hereby given a first priority lien, second only to the first mortgagee for any taxes or public assessments by a duly authorized governmental body up to the full amount of excess funds. This obligation of the owner to pay this full amount to the Borough shall be deemed to be a personal obligation of the owner of record at the time of the foreclosure sale, and the Borough is hereby empowered to enforce this obligation in any appropriate court of law or equity as though the same were a personal contractual obligation of the owner. Neither the first mortgagee nor the purchaser at the foreclosure sale shall be responsible or liable to the Borough for any portion of this excess. The Borough shall deposit any funds received in the Affordable Housing Trust Fund and use it for the purposes as set forth in the Housing Element and Fair Share Plan.

Section 3. Continuation. In all other respects, the Zoning Ordinance of the Borough of Hightstown shall remain unchanged.

Section 4. Severability. If any portion of this Ordinance is for any reason held to be unconstitutional or invalid by a court of competent jurisdiction, such decision shall not affect the validity of the Zoning Ordinance as a whole, or any other part thereof.

Section 5. Repealer. All ordinances or parts of ordinances which are inconsistent with the provisions of this Ordinance are hereby repealed to the extent of such inconsistency only.

Section 6. Enactment. This Ordinance shall take effect upon the filing thereof with the Mercer County Planning Board after final passage, adoption, and publication by the Borough Clerk of the Borough of Hightstown in the manner prescribed by law.

Resolution 2020-118 Petitioning the Board of Public Utilities to Enact Regulations Requiring a 100% Rate of High Speed Internet Accessibility to Each Municipality Throughout New Jersey

Council President Musing stated that he pulled this resolution from the consent agenda to give it some thought. He understands the need for high speed internet but government should not be making private companies provide services that are not profitable for them. Government should not be putting the onus on private companies. Councilmember Misiura stated that he does not know enough about this resolution. The concept is good but he does not know about the downside. He would be open to having this come back on a future agenda after some research is done. Councilmember Jackson agreed that this does sound good on face but needs more information.

Councilmember Misiura moved to table Resolution 2020-118; Councilmember Jackson seconded.

COUNTY OF MERCER
STATE OF NEW JERSEY*

**PETITIONING THE BOARD OF PUBLIC UTILITIES TO ENACT REGULATIONS
REQUIRING A 100% RATE OF HIGH SPEED INTERNET ACCESSIBILITY TO EACH
MUNICIPALITY THROUGHOUT NEW JERSEY**

WHEREAS, having access to aerial line high-speed internet service is a necessary and vital part of living in today's society; and

WHEREAS, the recent pandemic of COVID-19 further illustrates just how vital access to aerial line high-speed internet has become to society, especially during times of crisis or emergencies and how not having access to aerial line high-speed internet has the potential to cripple a community, denying the community the capacity for remote student learning and remote working arrangements with a resident's employer;

AND FURTHERMORE, that during a time of crisis not having access to aerial line high-speed internet has the potential to shut down all functions of government by denying essential employees and elected officials from the ability to work, communicate, distribute information, conduct meetings, and perform the other requirements of a functioning government through remote capabilities; and

WHEREAS, Hightstown Borough believes that the service providers of aerial line high-speed internet in the State of New Jersey are more than capable of and financially sound enough to achieve a 100% rate of aerial line high-speed internet accessibility but choose not to pursue that goal unless forced to through regulation because the providers feel it is not profitable; and

WHEREAS, not having access to aerial line high-speed internet service is a plight on students, reducing their educational opportunities and ability to learn in a modern world; and

WHEREAS, not having access to aerial line high-speed internet service could potentially have life and death consequences for the elderly or those with various health complications; and

WHEREAS, not having access to aerial line high-speed internet service causes a great burden to businesses, places them at a disadvantage, and reduces chances for economic development; and

WHEREAS, not having access to aerial line high-speed internet service can cause healthcare facilities to shut down because they cannot access required networks to function, thereby further creating negative impacts on New Jersey residents' health; and

WHEREAS, Hightstown Borough is desirous of assisting and cooperating with other public entities and State officials to pursue a petition before the Board of Public Utilities to enact regulations requiring a 100% rate of aerial line high-speed internet accessibility in each individual municipality throughout the State of New Jersey; and

NOW, THEREFORE, BE IT RESOLVED BY THE Mayor and Borough Council of the Borough of Hightstown that the Board of Public Utilities is requested to order all service providers of aerial line high-speed internet to provide aerial line high-speed internet service to all municipalities throughout the State with each municipality being afforded a 100% rate of aerial line high-speed internet accessibility; and

BE IT FURTHER RESOLVED, that our State representatives use their authority to require service providers of aerial line high-speed internet to achieve a 100% rate of high-speed internet access for each individual municipality throughout the State of New Jersey; and

28-17 AFFORDABLE HOUSING PROCEDURAL AND ELIGIBILITY REQUIREMENTS

28-17-1 Purpose and General Provisions.

1. The purpose of this Article is to implement the Uniform Housing Affordability Controls (“UHAC”, N.J.A.C. 5:80-26.1 et seq., as they may be amended or superseded), the New Jersey Fair Housing Act (N.J.S.A. 52:27D-301, et seq.), extant rules of the NJ Council on Affordable Housing, and the Housing Element and Fair Share Plan of Hightstown Borough. This Article is designed to ensure that affordable housing created under the Fair Housing Act is occupied by low- and moderate-income households for the appropriate period of time. The words, phrases, and terms herein shall be interpreted to have the same meanings and usages as in the Fair Housing Act and related regulations. It is the further purpose of this Article to regulate the development and management of low- and moderate-income housing units constructed in compliance with these regulations.
2. All units, including those funded with Low Income Housing Tax Credits or other subsidy programs, shall include the required bedroom distribution and income distribution, shall be subject to affordability controls, and shall be affirmatively marketed in accordance with UHAC, with the exception that instead of 10% of all rental affordable units being affordable to households earning 35% of less of the regional median household income by household size, 13% of all rental affordable units shall be affordable to households earning 30% or less of the regional median household income by household size, and all other applicable law.
3. All new construction units shall be adaptable in conformance with N.J.S.A. 52:27D-311a and -311b and all other applicable law.

28-17-2 Affordable Housing Required.

1. Any residential development approved by the Planning Board of the Borough of Hightstown, including those developments consisting in whole or in part of beds counted as a residential dwelling, shall set aside dwelling units for persons of low and moderate income as defined in this Article, except for development within a redevelopment district. Affordable housing within a redevelopment district shall be as established in a

redevelopment agreement between the Borough and the redeveloper. Unless otherwise stated or as may be required within specific zoning districts, the minimum set aside shall be 15% of the total number of units if the affordable units will be for rent and 20% of the total number of units if the affordable units will be for sale. In assisted living residence developments, the set-aside shall be a minimum of 10% of the total number of units. At least half of all affordable units shall be affordable to low or very low income households. Except when part of a larger development of a tract zoned or otherwise permitted to be developed at a residential density of 6 units per acre or more, developments of single-family detached and/or duplex or two-family dwellings shall be exempt from the inclusionary development requirements of this section, but shall pay an affordable housing development fee. Properties shall not be permitted to be subdivided to avoid compliance with the inclusionary development requirements of this section.

2. All developers with sites identified for affordable housing pursuant to the most recent Housing Element and Fair Share Plan adopted by the Planning Board and Borough Council of Hightstown, according to their respective duties, shall provide affordable housing units in accordance with the plan. All development, whether residential, commercial, or industrial shall construct units or pay a development fee in accordance with this Article, except as otherwise exempted.
3. This requirement does not give any developer the right to any such rezoning, variance or other relief, or establish any obligation on the part of the Borough of Hightstown to grant such rezoning, variance or other relief.
4. This Borough-wide mandatory set-aside requirement does not supersede the effects or requirements of any inclusionary overlay zoning districts for any inclusionary multi-family residential development that occurs within the boundaries of those districts.
5. In the event that the inclusionary set-aside percentage (15% or 20%, as the case may be) of the total number of residential units does not result in a full integer, the developer may choose one of two options of addressing the fractional unit:
 - a. The developer shall round the set-aside upward to construct a whole additional affordable unit; or
 - b. If the set-aside includes a fractional unit less than 0.5, the developer may round the set-aside downward and construct the lesser whole number of affordable units, but must also make a payment in lieu of constructing the fractional additional unit (“fractional payment in lieu”).
 - c. The fractional payment in lieu amount shall be calculated as the fractional unit multiplied by the payment in lieu amount of \$250,000.00, increased annually by the construction Consumer Price Index.
 - d. For example, if seven total units are developed at an inclusionary site, a 20% set-aside would require 1.4 affordable units. Per the requirements above:
 1. The developer may round up the 0.4 unit to one whole affordable unit and construct a total of two affordable units, in accordance with this section; or
 2. The developer may round the set-aside downward, construct only one affordable unit and pay into the Borough’s affordable housing trust fund a fractional in lieu payment equal to the dollar amount established hereinabove multiplied by 0.4 units.

28-17-5 Household Income Limitations.

1. The incomes of low- and moderate-income households occupying affordable housing shall not exceed the income limits as of January 1 of the current year.
2. Median Income Determination. Income limits for all units for which income limits are not already established through a federal program exempted from the Uniform Housing Affordability Controls pursuant to N.J.A.C. 5:80-26.1 shall be updated by the Borough annually following the publication of determinations of median income by the U.S. Department of Housing and Urban Development (HUD) and calculation by the Affordable Housing Professionals of New Jersey in the absence of such calculation by COAH.
3. Affordable Housing Purchase or Rent. Very low-income housing units shall be reserved for households with a gross household income less than or equal to 30% of the median regional income. 1. Any Administrative Agent shall secure the information from applicant households necessary and appropriate to determine that restricted dwellings are occupied by properly sized households with appropriate very low, low or moderate income levels. No household may be referred to a restricted dwelling, or may receive a commitment with respect to a restricted dwelling, unless that household has received a signed and dated certification, as set forth in this section, and has executed the certificate in the form provided.
2. Any Administrative Agent shall use a random selection process to select occupants of very low-, low- and moderate-income housing.
3. Any Administrative Agent shall prepare a standard form of certification and shall sign and date one for each household when certified. This certification shall be known as a Certificate of Eligibility and shall be a prerequisite for the purchase or rental of an income-restricted dwelling. An initial certification shall be valid for no more than 180 days unless a valid contract for sale or lease has been executed within that time period. In this event, certifications shall be valid until such time as the contract for sale or lease is ruled invalid and no occupancy has occurred. Certifications may be renewed in writing at the request of a certified household for an additional period of 180 days at the discretion of the Borough Administrative Agent or Administrative Agent.
4. When reviewing an applicant household's income to determine eligibility, any Administrative Agent shall compare the applicant household's total gross annual income to the regional very low-, low- and moderate-income limits then in effect, as approved by the court of competent jurisdiction. For the purposes of this subchapter, income includes, but is not limited to, wages, salaries, tips, commissions, alimony, regularly

scheduled overtime, pensions, social security, unemployment compensation, Temporary Assistance for Needy Families (TANF), verified regular child support, disability, net income from business or real estate, and income from assets such as savings, certificates of deposit, money market accounts, mutual funds, stocks, bonds and imputed income from non-income producing assets, such as equity in real estate.

5. Except as otherwise specifically stated in this subchapter, the sources of income considered by the Borough Administrative Agent or Administrative Agent shall be the types of regular income reported to the Internal Revenue Service and which is eligible to be used for mortgage loan approval. Household annual gross income shall be calculated by projecting current gross income over a 12-month period.

Assets not earning income include, but are not limited to, present real estate equity. Applicants owning real estate shall produce documentation of a market value appraisal and outstanding mortgage debt. The difference shall be treated as the monetary value of the asset and the imputed interest added to income. If the applicant household owns a primary residence with no mortgage on the property valued at or above the regional asset limit, a Certificate of Eligibility shall be denied by the Borough Administrative Agent or Administrative Agent, unless the applicant's existing monthly housing costs (including principal, interest, taxes, homeowner and private mortgage insurance, and condominium and homeowner association fees as applicable) exceed 33% of the household's eligible monthly income.
7. 9. Any Administrative Agent shall require each member of an applicant household who is 18 years of age or older to provide documentation to verify the member's income, including income received by adults on behalf of minor children for their benefit. Household members 18 years of age or older who do not receive income must produce documentation of current status. Income verification documentation may include, but is not limited to, the following for each and every member of a household who is 18 years of age or older:
 - a. Four consecutive pay stubs, not more than 120 days old, including bonuses, overtime or tips, or a letter from the employer stating the present annual income figure;

12. The Administrative Agent shall certify a household as eligible for a restricted rental unit when the household is a very low-income, low-income household or a moderate-income household, as applicable to the unit, and the rent proposed for the unit does not exceed 35% (40% for age-restricted units) of the household's eligible monthly income as determined pursuant to N.J.A.C. 5:80-26.16, as may be amended and supplemented; provided, however, that this limit may be exceeded if one or more of the following circumstances exists:
 - a. The household currently pays more than 35% (40% for households eligible for age-restricted units) of its gross household income for rent, and the proposed rent will reduce its housing costs;

Eligible persons that live or work within the East Central Housing Region (Region 4) shall have preference over those that live or work in another housing region.
- B. Applicants shall be selected in the order in which their applications are certified and in accordance with the provisions of this section.
- C. Households remaining on a waiting list shall update its application no later than April 30 each year, including the most recent federal income tax return of each member of the proposed household and such other updated income and other information requested on the application.
- D. Households on the waiting list who have not submitted the required information by May 15 each year shall be notified by certified mail, mailed to the address on file that they have until June 30 of that year to provide the information or they shall be removed from the waiting list.

- E. Any household whose income or priority category has changed such that the household has become eligible for a different category of housing or priority list shall be placed on the appropriate list without penalty or favor as of the date of the original application.
- F. Any household whose income has increased to the degree that it is no longer eligible for low or moderate income housing shall be removed from the waiting list.
- G. If the Borough Administrative Agent or Administrative Agent has reason to believe that the information on file is erroneous or incomplete, he or she shall have the right to conduct an investigation and request any additional information deemed necessary to obtain accurate household information. The household shall, within 14 days of mailing, notify the Borough Administrative Agent or Administrative Agent, in writing, of its intent to occupy the dwelling and, if selected, its intent to comply with the requirements of paragraph –I, below, within 15 days. Any household which fails to respond to the notice or chooses to reject a specific dwelling by informing the Administrative Agent in writing, shall retain its priority and shall be notified of available dwellings in the future, except that if a household chooses to reject a dwelling or fails to respond three times, it shall be removed from the list and must reapply and re-qualify if it wishes to be placed on the list at a new qualified priority.
- J. At the time of notice to a household of the availability of an appropriate type of dwelling and if the household notifies the Administrative Agent of its intent to occupy the dwelling and that household is selected for occupancy, each household member shall update the records on file and recertify the accuracy of the information as required herein. Information shall be reviewed and the eligibility status reconfirmed. The household selected shall only at that point proceed to make the legal and financial arrangements to acquire or lease the dwelling.
- K. If a household selected for occupancy is unable to obtain financing, it shall lose its eligibility for that dwelling, after notice, but shall retain its priority status for a similar appropriate dwelling as other dwellings become available and as long as the household remains eligible. When notified of the availability of another dwelling, updating and recertifying data as outlined in Subsection –H above is required.
- L. A certificate of eligibility may be withheld by the Borough Administrative Agent or Administrative Agent as a result of an applicant's inability to demonstrate sufficient present assets for down payment or security deposit purposes.
- M. A certificate of eligibility may be withheld by the Borough Administrative Agent or Administrative Agent as a result of an applicant's inability to verify funds claimed as assets, household composition or other facts represented.
- N. A certificate of eligibility shall be denied by the Borough Administrative Agent or Administrative Agent as a result of any willful and material misstatement of fact made by the applicant in seeking eligibility.

 1. Prior to incurring any indebtedness to be secured by a restricted ownership dwelling, the Borough Administrative Agent shall determine in writing that the proposed indebtedness complies with the provisions of this section.
 2. With the exception of original purchase money mortgages, during a control period neither an owner nor a lender shall at any time cause or permit the total indebtedness secured by a restricted ownership dwelling to exceed 95% of the maximum allowable resale price of that dwelling, as such price is determined by the Borough Administrative Agent in accordance with N.J.A.C. 5:80-26.6(b).
- F. Capital Improvements to Ownership Units.
 1. The owners of restricted ownership units may apply to the Borough Administrative Agent to increase the maximum sales price for the dwelling on the basis of capital improvements made since the purchase of the dwelling. Eligible capital improvements shall be those that render the dwelling suitable for a larger household or that adds an additional bathroom. In no event shall the maximum sales price of an improved housing dwelling exceed the limits of affordability for the larger household.
 2. Upon the resale of a restricted ownership dwelling, all items of property that are permanently affixed to the dwelling or were included when the dwelling was initially restricted (for example, refrigerator,

range, washer, dryer, dishwasher, wall-to-wall carpeting) shall be included in the maximum allowable resale price. Other items may be sold to the purchaser at a reasonable price that has been approved by the Borough Administrative Agent at the time of the signing of the agreement to purchase. The purchase of central air conditioning installed subsequent to the initial sale of the dwelling and not included in the base price may be made a condition of the dwelling resale provided the price, which shall be subject to 10-year, straight-line depreciation, has been approved by the Borough Administrative Agent. Unless otherwise approved by the Borough Administrative Agent, the purchase of any property other than central air conditioning shall not be made a condition of the dwelling resale. The owner and the purchaser must personally certify at the time of closing that no unapproved transfer of funds for the purpose of selling and receiving property has taken place at the time of or as a condition of resale.

G. Notice of Resale, Recapture Covenant and 95/5 Purchase Options.

1. The owner of the property is required to notify the Borough Administrative Agent by certified mail of any intent to sell the property 90 days prior to entering into an agreement for the first non-exempt sale of the Property after the conclusion of the period of affordability controls on restricted units in effect at the time the Property was first restricted as part of the Affordable Housing Program.
2. The municipal construction code official shall inspect the available affordable resale unit for construction and property maintenance code violation(s). The code official shall submit in writing to the owner and the Borough Administrative Agent a listing of the violation(s). The estimated cost of the repairs not completed by the owner prior to resale shall be deducted from the resale price. The cost of repairs not undertaken by the owner will be determined by estimator(s) and/or contractor(s) supplied by the Borough Administrative Agent and charged back to the seller.
3. Upon the first such non-exempt sale of the Property, 95% of the difference between, (i), the actual sale price; and (ii), the regulated maximum sales price that would be applicable were the period of affordability controls on restricted units still in effect, shall be paid at closing to the Borough of Hightstown; or, to the NJ Department of Community Affairs or NJ Housing and Mortgage Finance Agency, when acting as receiving agent for the municipality. Exempt sales shall be as listed in §28-17-13.
4. Such non-exempt sale is subject to the options provided for in N.J.A.C. 5:80-26.20 (Option to buy 95/5 units), N.J.A.C. 5:80-26.21 (Municipal Option on 95/5 units), N.J.A.C. 5:80-26.22 (State Option on 95/5 Units), N.J.A.C. 5:80-26.23 (Non-Profit Option on 95/5 Units), N.J.A.C. 5:80-26.24 (Seller Option on 95/5 Units), N.J.A.C. 5:80-26.25 (Municipal Rejection of Repayment Option on 95/5 Units) and N.J.A.C. 5:80-26.26 (Continued Application of Options to Create, Rehabilitate or Maintain 95/5 Units) of UHAC.

28-17-11 Affordability Controls on Rental Dwellings.

- A. Each restricted rental dwelling shall remain subject to the requirements of UHAC until the Borough of Hightstown elects to release the dwelling from such requirement pursuant to action taken in compliance with N.J.A.C. 5:80-26.11(e). Prior to such a municipal election, a restricted rental dwelling shall remain subject to the requirements of N.J.A.C. 5:80-26.11, for a minimum of 30 years, and for a period of at least 10 years or the sale and repayment of any loan proceeds for renter-occupied units that were rehabilitated.
- B. Each restricted rental dwelling shall remain in compliance with and subject to the requirements of N.J.A.C. 5:80-26.11 for control periods, N.J.A.C. 5:80-26.12 for restrictions on rents, and N.J.A.C. 5:80-26.13 for tenant income eligibility.
- C. Deeds of all real property that include restricted rental units shall contain deed restriction language. The deed restriction shall have priority over all mortgages on the property, and the deed restriction shall be filed by the developer or seller with the records office of the County of Mercer. A copy of the filed document shall be provided to the Borough Administrative Agent within 30 days of the receipt of a Certificate of Occupancy.
- D. A restricted rental dwelling shall remain subject to the affordability controls of this Article, despite the occurrence of any of the following events:

1. Sublease or assignment of the lease of the dwelling;
2. Sale or other voluntary transfer of the ownership of the dwelling; or
3. The entry and enforcement of any judgment of foreclosure.

E. Rent Restrictions for Rental Units; Leases.

1. A written lease shall be required for all restricted rental units, and tenants shall be responsible for security deposits and the full amount of the rent as stated on the lease. A copy of the current lease for each restricted rental dwelling shall be provided to the Borough Administrative Agent.
2. No additional fees or charges shall be added to the approved rent without the express written approval of the Borough Administrative Agent.
3. Application fees (including the charge for any credit check) shall not exceed 5% of the monthly rent of the applicable restricted dwelling and shall be payable to the Borough Administrative Agent to be applied to the costs of administering the controls applicable to the dwelling as set forth in this Article.

28-17-12 Accessibility Requirements.

The following barrier free accessibility and adaptability requirements shall apply to all new construction:

- A. The first floor of all restricted townhouse dwelling units and all restricted units in all other multistory buildings shall be subject to the technical design standards of the Barrier Free Sub-code, N.J.A.C. 5:23-7.
- B. All restricted townhouse dwellings and all restricted units in other multistory buildings in which a restricted dwelling is attached to at least one other dwelling shall have the following features:
 1. An adaptable toilet and bathing facility on the first floor;
 2. An adaptable kitchen on the first floor;
 3. An interior accessible route of travel on the first floor;
 4. An interior accessible route of travel shall not be required between stories within an individual dwelling;
 5. An adaptable room that can be used as a bedroom, with a door or the casing for the installation of a door, on the first floor; and
 6. An accessible entranceway in accordance with N.J.S.A. 52:27D-311a, et seq. and the Barrier Free Sub-code, N.J.A.C. 5:23-7, or evidence that the municipality has collected funds from the developer sufficient to make 10% of the adaptable entrances in the development accessible:
 - a. Where a dwelling has been constructed with an adaptable entrance, upon the request of a disabled person who is purchasing or will reside in the dwelling, an accessible entrance shall be installed.
 - b. To this end, the developer of restricted units shall deposit funds within the affordable housing trust fund of the Borough of Hightstown sufficient to install accessible entrances in 10% of the affordable units that have been constructed with adaptable entrances.
 - c. The funds deposited under sub-paragraph –(b) above shall be used by the Borough for the sole purpose of making the adaptable entrance of any affordable dwelling accessible when requested to do so by a person with a disability who occupies or intends to occupy the dwelling and requires an accessible entrance.

7. The developer of the restricted units shall submit a design plan and cost estimate for the conversion from an adaptable to an accessible entrance to the Construction Code Official.
8. Once the Construction Code Official has determined that the design plan to convert the unit entrances from adaptable to accessible meet the requirements of the Barrier Free Subcode, N.J.A.C. 5:23-7, and that the cost estimate of such conversion is reasonable, payment shall be made into the municipality's affordable housing trust fund by the Chief Financial Officer who shall ensure that the funds are deposited into the affordable housing trust fund and appropriately earmarked.
9. Full compliance with the foregoing provisions shall not be required where an entity can demonstrate that physical or environmental conditions of the site render it impracticable to meet the requirements. Determinations of site impracticability shall be in compliance with the Barrier Free Subcode, N.J.A.C. 5:23-7.

28-17-13 Exempt Transactions.

- A. The following transactions shall be deemed "non-sales" for purposes of these regulations and the owner receiving title by virtue of any of the following transactions shall be entitled to a statement of exemption to the owner receiving title by virtue of any of the following transactions:
 1. Transfer of ownership of an affordable sales unit between husband and wife;
 2. Transfer of ownership of an affordable sales unit between former spouses ordered as a result of a judicial decree of divorce (and not including sales to third parties);
 3. Transfer of ownership of an affordable unit between family members as a result of inheritance;
 4. Transfer of ownership of an affordable unit through an executor's deed to a Class A beneficiary;
 5. Transfer of ownership of an affordable unit through an order of the Superior Court or other court, in a foreclosure proceeding or transfer in lieu of foreclosure after a foreclosure proceeding has commenced.
- B. Except for the income level of the family acquiring title by an exempt transaction, the exempt transfer will not eliminate any restrictions set forth herein including, but not limited to, the unit remaining the prime resident and the requirement for resale to low and moderate income families as applicable and all such restrictions shall remain in effect following the exempt transfer except as stated in subsection -A.5.
- C. Should a mortgagee acquire title pursuant to subsection -A.5 it may re-sell the unit to any family, regardless of income, with the municipality having the right of first refusal. The sales price to the municipality is the amount necessary to cure the foreclosure. This includes all principal and interest due to the mortgagee and other lien holders, repayment of equity to the owner prior to foreclosure and the costs of foreclosure. If the municipality does not purchase the unit, the mortgagee may sell the unit without any of the restrictions set forth in this section. The amount of the sale above that which is necessary to cure the foreclosure will be turned over to the municipality to be used for low and moderate income housing.

28-17-14 Leasing Restriction.

Initial and subsequent owners of affordable housing units shall occupy the dwelling as their principal residence. Rental or subleasing of the affordable housing unit is expressly forbidden.

28-17-15 Effect on Landlord and Tenant Relationship.

- A. Nothing in these rules should be construed to limit the rights and duties of the owner and tenant to maintain the dwelling in accordance with all appropriate New Jersey State or municipal construction and property maintenance codes.

- B. Notwithstanding anything to the contrary in this Article, any member of a household occupying a dwelling under this Article and subject to the regulations of the Borough of Hightstown is subject to eviction for any reasons allowed under applicable New Jersey law. The provisions of this Article are not intended to confer any additional rights or obligations on property owners or tenants other than those mandated by statute or required by the courts of the State of New Jersey or the duly adopted regulations of any of its agencies.

28-17-16 Affirmative Marketing for Affordable Housing.

- A. Purpose. The purpose of this Section is to establish administrative procedures to ensure a wide dissemination of knowledge of affordable housing units as they become available to the low and moderate income population, and that the selection of tenants or homeowners, as the case may be, meets the requirements of UHAC.
- B. An Affirmative Marketing Plan is a regional marketing strategy designed to attract buyers and/or renters of all majority and minority groups, regardless of race, creed, color, national origin, ancestry, marital, or familial status, gender, affectional or sexual orientation, disability, age or number of children to housing units which are being marketed by a developer or sponsor of affordable housing. An Affirmative Marketing Plan is also intended to target those potentially eligible persons who are least likely to apply for affordable units in that region.
- C. Affirmative Marketing Requirements. Within the overall framework of the municipality's affirmative marketing program, all affordable housing units in Hightstown Borough shall be marketed in accordance with the provisions in this Section unless otherwise provided for in N.J.A.C. 5:80-26-1. An Affirmative Marketing Plan shall be created for each development that contains or will contain low and moderate income units, including those that are part of the Borough's prior round Housing Element and its current Housing Element and those that may be constructed in future developments not yet anticipated. This Affirmative Marketing Plan shall also apply to any rehabilitated units that are vacated and re-rented during the applicable period of controls for rehabilitated rental units when Hightstown is allocated a rehabilitation component.
- D. Plan Preparation. The Borough Administrative Agent or Administrative Agent shall prepare an Affirmative Marketing Plan for each affordable housing program, as applicable, comporting with N.J.A.C. 5:80-26.15, for review and approval by the Borough Administrative Agent. The Borough Administrative Agent of the Borough shall oversee the work of a developer's Administrative Agent provided that the person has been approved by the Borough Administrative Agent. Regardless of the drafting agent, the Affirmative Marketing Plan is intended to be used by developers of affordable housing restricted to low and moderate income households located within the municipality. The Administrative Agent responsible for specific affordable housing programs or developments shall ensure that the affirmative marketing of all affordable units is consistent with these provisions.
- E. Affirmative Marketing Implementation. The Affirmative Marketing Plan includes regulations for qualification of income eligibility, price and rent restrictions, bedroom distribution, affordability control periods, and unit marketing in accordance to N.J.A.C. 5:80-26. All newly created affordable units will comply with the thirty-year affordability control required by UHAC, N.J.A.C. 5:80-26-5 and 5:80-26-11. This plan will be adhered to by all private, non-profit or municipal developers of affordable housing units and will cover the period of deed restriction or affordability controls on each affordable unit. The Affirmative Marketing Plan for each affordable housing development shall meet the following minimum requirements:
1. The Affirmative Marketing Plan shall provide a regional preference for all households that live and/or work in Housing Region 4, comprised of Mercer, Monmouth and Ocean Counties.
 2. Although the Borough has the ultimate responsibility for implementing all aspects of Hightstown's affordable housing program, the Administrative Agent designated by the Borough Administrative Agent shall assure that the affirmative marketing of all affordable units is consistent with the Affirmative Marketing Plan for the municipality.
 3. The Administrative Agent shall provide a list of counseling services to low and moderate income applicants on subjects such as budgeting, credit issues, mortgage qualification, rental lease requirements, and landlord/tenant law.

4. The affirmative marketing process for available affordable units shall begin at least four months prior to the expected date of occupancy. Advertising and outreach shall take place during the first week of the marketing program and each month thereafter until all of the affordable units have been leased or sold.
5. The costs of advertising and affirmative marketing of the affordable units shall be the responsibility of the developer, sponsor or owner, unless otherwise determined or agreed to by the Borough of Hightstown.
6. The Affirmative Marketing Plan for each affordable housing development shall describe the media to be used in advertising and publicizing the availability of housing. In implementing the Affirmative Marketing Plan, the Administrative Agent shall consider the use of language translations where appropriate.
7. Applications for affordable housing shall be available in several locations, including, at a minimum, the County Administration Building and/or the County Library for each county within the housing region; the municipal administration building and the municipal library in Hightstown; and the developer's rental office. Applications shall be mailed to prospective applicants upon request.
8. The Borough Administrative Agent shall develop, maintain and update a list of community contact person(s) and/or organizations(s) in the Region 4 Housing Area for the use of the Borough and other Administrative Agents. In addition, the list shall also include Fair Share Housing Center, the New Jersey State Conference of the NAACP, the Latino Action Network, the Trenton, Greater Red Bank, Asbury Park/Neptune, Bayshore, Greater Freehold, Greater Long Branch Branches of the NAACP, Shiloh Baptist Church, and the Supportive Housing Association, which entities shall receive specific notice of all available affordable housing units along with copies of application forms. This list shall be updated periodically. The list shall contain organizations that will aid in the affirmative marketing program with particular emphasis on contacts with outreach to groups and individuals that are least likely to apply for affordable housing within the region. A representative sample of the organizations on the list not otherwise requiring specific notice herein shall be contacted as part of the affirmative marketing effort as approved by the Borough Administrative Agent.
9. The Affirmative Marketing Plan shall be approved by the Borough Administrative Agent prior to implementation.

28-17-17 Violations of Affordable Housing Regulations.

- A. Upon the occurrence of a breach of any of the regulations governing the affordable dwelling by an owner, developer or tenant the municipality shall have all remedies provided at law or equity, including but not limited to foreclosure, tenant eviction, municipal fines, a requirement for household recertification, acceleration of all sums due under a mortgage, recoupment of any funds from a sale in the violation of the regulations, injunctive relief to prevent further violation of the regulations, entry on the premises, and specific performance.
- B. After providing written notice of a violation to an owner, developer or tenant of a low- or moderate-income dwelling and advising the owner, developer or tenant of the penalties for such violations, the municipality may take the following action against the owner, developer or tenant for any violation that remains uncured for a period of 60 days after service of the written notice:
 1. The municipality may file a court action pursuant to N.J.S.A. 2A:58-11 alleging a violation, or violations, of the regulations governing the affordable housing unit. If the owner, developer or tenant is found by the court to have violated any provision of the regulations governing affordable housing units the owner, developer or tenant shall be subject to one or more of the following penalties, at the discretion of the court:

- a. A fine of not more than \$1,000.00 or imprisonment for a period not to exceed 90 days, or both. Each and every day that the violation continues or exists shall be considered a separate and specific violation of these provisions and not as a continuing offense;
 - b. In the case of an owner who has rented his or her low- or moderate-income dwelling in violation of the regulations governing affordable housing units, payment into the Borough of Hightstown's Affordable Housing Trust Fund of the gross amount of rent illegally collected;
 - c. In the case of an owner who has rented his or her low or moderate income unit in violation of the regulations governing affordable housing units, payment of an innocent tenant's reasonable relocation costs, as determined by the court.
 2. The municipality may file a court action in the Superior Court seeking a judgment, which would result in the termination of the Owner's equity or other interest in the dwelling, in the nature of a mortgage foreclosure. Any judgment shall be enforceable as if the same were a judgment of default of the first purchase money mortgage and shall constitute a lien against the low and moderate income unit.
 3. Such judgment shall be enforceable, at the option of the municipality, by means of an execution sale by the County Sheriff, at which time the low and moderate income unit of the violating owner shall be sold at a sale price which is not less than the amount necessary to fully satisfy and pay off any first purchase money mortgage and prior liens and the costs of the enforcement proceedings incurred by the municipality, including attorney's fees. The violating owner shall have the right to possession terminated as well as the title conveyed pursuant to the Sheriff's sale.
- C. The proceeds of the Sheriff's sale shall first be applied to satisfy the first purchase money mortgage lien upon the dwelling and any prior liens on the dwelling. The excess, if any, shall be applied to reimburse the Borough for any and all costs and expenses incurred in connection with either the court action resulting in the judgment of violation or the Sheriff's sale. In the event that the proceeds from the Sheriff's sale are insufficient to reimburse the Borough in full as aforesaid, the violating owner shall be personally responsible for the deficiency, in addition to any and all costs incurred by the Borough in connection with collecting said deficiency. The remainder, if any, up to a maximum of the amount the owner would be entitled to if he or she were to sell the dwelling as permitted by N.J.S.A. 5:80-26.1 et seq., shall be placed in escrow by the Borough for the owner and shall be held in such escrow for a period of two years or until such time as the owner shall make a claim with the Borough for the same. Failure of the owner to claim said sum within the two-year period shall automatically result in a forfeiture of said remainder to the municipality and paid into the Affordable Housing Trust Fund. Any interest accrued or earned on the remainder while being held in escrow shall belong to and shall be paid to the Hightstown Borough Affordable Housing Fund whether the remainder is paid to the owner or forfeited to the Borough. Any excess funds derived over and above the sum due the owner shall be paid over to the Borough's Affordable Housing Trust Fund.
- D. Foreclosure by the municipality due to violation of the regulations governing affordable housing units shall not extinguish the restrictions of the regulations governing affordable housing units as the same apply to the low and moderate income unit. Title shall be conveyed to the purchaser at the Sheriff's sale, subject to the restrictions and provisions of the regulations governing the affordable housing dwelling. The owner determined to be in violation of the provisions of this plan and from whom title and possession were taken by means of the Sheriff's sale shall not be entitled to any right of redemption.
- E. If there are no bidders at the Sheriff's sale, or if insufficient amounts are bid to satisfy the first purchase money mortgage and any prior liens, the municipality may acquire title to the low- and moderate-income unit by satisfying the first purchase money mortgage and any prior liens and crediting the violating owner with an amount equal to the difference between the first purchase money mortgage and any prior liens and costs of the enforcement proceedings, including legal fees and the maximum resale price for which the low- and moderate-income unit could have been sold under the terms of the regulations governing affordable housing units. This excess shall be treated in the same manner as the excess which would have been realized from an actual sale as previously described.

- F. Failure of the very low-, low- and moderate- income unit to be either sold at the Sheriff's sale or acquired by the municipality shall obligate the owner to accept an offer to purchase from any qualified purchaser which may be referred to the owner by the municipality, with such offer to purchase being equal to the maximum resale price of the low- and moderate-income unit as permitted by the regulations governing affordable housing units.
- G. The owner shall remain fully obligated, responsible and liable for complying with the terms and restrictions of governing affordable housing units until such time as title is conveyed from the owner.
- H. Right to Cure. The Borough may, at its option, advance and pay all sums necessary to protect, preserve and retain the dwelling as an affordable dwelling, subject to the terms of this Article. All sums so advanced and paid by the Borough shall become a lien against said dwelling and shall have a higher priority than any lien except the first purchase money mortgage lien and liens by duly authorized government agencies. Such sums may include but are not limited to insurance premiums, taxes, assessments (public or private) and costs of repair necessary to bring the dwelling up to any and all applicable local, state or federal codes and liens which may be or become prior and senior to any first purchase money mortgage as a lien on the dwelling or any part thereof. If, in the event of a default or nonpayment by the owner of an affordable dwelling, any first mortgagee or other creditor of an owner of an affordable dwelling exercises its contractual or legal remedies available, the owner shall notify the Administrative Agent and the Borough Solicitor of the Borough, in writing, within 10 days of notification by the first mortgagee or creditor and no later than 10 days after service of any summons and complaint, and the Borough shall have the option to purchase, redeem or cure any default upon such terms and conditions as may be agreeable to all parties in interest and/or to acquire the first purchase money mortgage to the dwelling, thereby replacing the first mortgagee as the first mortgagee of the dwelling. The Borough shall have the same priority of lien as was held by the first mortgagee at the time the Borough acquires such first purchase money mortgage and shall have the right of subrogation with respect to any other claim or lien it satisfies or acquires.
- I. Provisions for First Purchase Money Mortgages.
 - 1. The terms and restrictions of this section shall be subordinate only to a first purchase money mortgage lien on any affordable dwelling and in no way shall impair the first mortgagee's ability to exercise the contract remedies available to it in the event of default as set forth in the first purchase money mortgage. The first mortgagee and/or mortgage servicer shall serve written notice upon the Borough within 10 days after the first purchase money mortgage is two months in arrears and again within 10 calendar days of the filing of a complaint seeking foreclosure of the first purchase money mortgage held on an affordable dwelling. However, a judgment of foreclosure upon the property shall in no instance terminate the conditions and requirements of this Article maintaining the dwelling as an affordable, income-restricted residence.
 - 2. The obligation of the first mortgagee and servicer to notify the Borough shall cease automatically and immediately upon the sale of the first purchase money mortgage to the Federal National Mortgage Association or in the secondary mortgage market, unless the rules and regulations or guidelines of the Federal National Mortgage Association are amended so as to not prohibit or exclude placing such obligation upon the holder of the mortgage or its service representative, in which case, an instrument duly evidencing the same shall be recorded with the Register of Deeds, Mercer County, New Jersey, before any such obligation shall exist. Provided that the first mortgagee is obligated to give the Borough the above-mentioned notices, the first mortgagee shall also serve written notice of any proposed foreclosure sale upon the Borough at least 30 days prior to the first scheduled date of such sale. The first mortgagee shall serve notice upon the Borough within 30 days of the sale of the first purchase money mortgage to the Federal National Mortgage Association or in the secondary mortgage market.
 - 3. The Borough of Hightstown or any instrumentality designated by the Borough shall have the right to purchase any mortgage which is in default at any time prior to the entry of a foreclosure judgment or within the redemption period thereafter. Notification of a default and of the institution of a foreclosure action and of a sheriff's sale shall be served, in writing, upon the Borough Clerk and

Municipal Attorney. The Borough of Hightstown shall at all times be considered a party in interest and shall have the right to be joined as a party defendant and/or shall have the right to intervene in any foreclosure action seeking foreclosure of a first mortgage and/or shall have the right to redeem and acquire the owner's equity of redemption or to acquire the dwelling from the owner upon such terms and conditions as may be determined by the Borough.

4. Surplus funds. In the event of a foreclosure sale by the holder of the first purchase money mortgage, the owner shall be personally obligated to pay to the Borough any excess funds, but only to the extent that such excess funds exceed the difference between what the owner could have resold his dwelling for under this Article at the time of the foreclosure sale and the amount necessary to redeem and satisfy the first purchase money mortgage debt, including costs of foreclosure and costs of repairs necessary to bring the dwelling up to any and all applicable local, state or federal codes. For the purposes of this subsection, excess funds shall be the total paid to the sheriff in excess of the amount required to pay and satisfy the first purchase money mortgage, including the costs of foreclosure, even if junior creditors actually receive payment from said surplus funds to the exclusion of the owner. The Borough is hereby given a first priority lien, second only to the first mortgagee for any taxes or public assessments by a duly authorized governmental body up to the full amount of excess funds. This obligation of the owner to pay this full amount to the Borough shall be deemed to be a personal obligation of the owner of record at the time of the foreclosure sale, and the Borough is hereby empowered to enforce this obligation in any appropriate court of law or equity as though the same were a personal contractual obligation of the owner. Neither the first mortgagee nor the purchaser at the foreclosure sale shall be responsible or liable to the Borough for any portion of this excess. The Borough shall deposit any funds received in the Affordable Housing Trust Fund and use it for the purposes as set forth in the Housing Element and Fair Share Plan.

Section 3. Continuation. In all other respects, the Zoning Ordinance of the Borough of Hightstown shall remain unchanged.

Section 4. Severability. If any portion of this Ordinance is for any reason held to be unconstitutional or invalid by a court of competent jurisdiction, such decision shall not affect the validity of the Zoning Ordinance as a whole, or any other part thereof.

Section 5. Repealer. All ordinances or parts of ordinances which are inconsistent with the provisions of this Ordinance are hereby repealed to the extent of such inconsistency only.

Section 6. Enactment. This Ordinance shall take effect upon the filing thereof with the Mercer County Planning Board after final passage, adoption, and publication by the Borough Clerk of the Borough of Hightstown in the manner prescribed by law.

Resolution 2020-120

*BOROUGH OF HIGHTSTOWN
COUNTY OF MERCER
STATE OF NEW JERSEY*

RESOLUTION PERMITTING PANDEMIC RELATED SIGNS IN THE BOROUGH

WHEREAS, during the troubling times of the COVID-19 pandemic, signs may be used to raise the morale of people; and

WHEREAS, as the country continues to battle against the virus, signs can promote and show the solidarity of Hightstown in the fight; and

WHEREAS, as the state is in lockdown, signs can also express appreciation and gratitude to the essential and frontline workers who continue to provide needed services; and

WHEREAS, Borough code places restrictions on such signs; and

WHEREAS, the Borough Zoning Official recommends Mayor and Council permit the temporary signs during the pandemic with the following requirements:

1. The message on the sign must relate to the pandemic. This can include, but is not limited to:
 - a. Raising of morale, or words of encouragement, during the pandemic.
 - b. Showing the solidarity of Hightstown in the fight against the spread of the virus.
 - c. Expressing appreciation and gratitude to the essential and frontline workers who continue to provide needed services.
2. The maximum area for any one sign shall be sixteen (16) square feet, with a total area of thirty-two (32) square feet permitted for each lot.
3. The temporary signs will be allowed for the duration of the pandemic and shall be removed within fourteen (14) days after the Governor has lifted the Covid-19 Public Health Emergency which was initially declared by Executive Order No. 103 on March 9, 2020, and which has been extended thereafter.
4. The signs shall not create a traffic or pedestrian safety issue. Line of sight must be maintained for both vehicles and pedestrians. Safe pedestrian passage must be maintained.
5. The signs must be properly anchored to not present a hazard to vehicles and pedestrians.
6. The signs must be properly maintained at all times. Any sign that is weathered, faded, peeling, cracking or otherwise deteriorated must be replaced. The signs must be cleaned as often as necessary to maintain a clean, neat, legible, safe and orderly appearance.

NOW, THEREFORE, BE IT RESOLVED, by the Mayor and Council of the Borough of Hightstown, that pandemic related signs be permitted as stated herein.
