Mercer County is doing an EXPO demonstration project in Trenton using funding from DVRPC near the Trenton Farmer's Market to manage truck traffic in a confined, oddly shaped block. Safe Routes to School Funding is being announced for this year - \$27 million, applications due in August. The DVRPC Safe Streets 4 All grant will include pass through grants to counties to support outreach to qualify municipalities for implementation funding. The Task Force will serve as the Local Outreach/Vision Zero Advisory Committee. The County continues to make progress on its master plan update, including a crash analysis and an upcoming congestion analysis for the Mobility Element. They are also working on new land development standards. Progress reports were made on numerous projects throughout the county.
