NARRATIVE AND INFORMATION SECTION**

2024 HOUSING AUTHORITY BUDGET MESSAGE & ANALYSIS

Hightstown Housing Authority

FISCAL YEAR: January 01, 2024 to December 31, 2024

Answer all questions below using the space provided. Do not attach answers as a separate document.

1. Complete a brief statement on the Fiscal Year 2024 proposed Annual Budget and make comparison to the Fiscal Year 2023 adopted budget for each Revenue and Appropriations. Explain any variances over +/-10% (as shown on budget pages F-2 and F-4) for each individual revenue and appropriation line item. Explanations of variances should include a description of the reason for the increase or decrease in the budgeted line item, not just an indication of the amount and percent of change. Upload any supporting documentation that will help explain the reason for the increase or decrease in the budgeted line item.

The proposed 2024 Budget is consistent with the 2023 Adopted budget for the most part. The Housing Authority has made a strong effort to control expenses while continuing to serve the residents of our community. The Housing Authority is budgeting for an increase in HUD Operating Subsidy based on the actual current year subsidy and HUD's assistance in fighting nationwide inflation. Laundry Income is also expected to rise slightly based on the current year actual laundry income. On the appropriations side, the Authority is budgeting for an increase in Fringe Benefits because a retired employee that had medical benefits covered through a spouse is being replaced by a new employee who will require medical benefits to be paid by the Housing Authority. Due to the prudent fiscal policies of the Housing Authority we are once again able to budget for an increase in surplus.

2. Describe the state of the local/regional economy and how it may impact the proposed Annual Budget, including the planned Capital/Program

The local economy has been affected by both the global pandemic and rising inflation. HUD has been instrumental in assisting the Authority to get through the economic downturn. HUD has provided additional funding to assist the HA and its' tenants and therefore the HA has been able to budget for consistent operations. The Hightstown Housing Authority has had healthy reserves and is planning to maintain those reserves with the current budget.

3. Describe the reasons for utilizing Unrestricted Net Position in the proposed Annual Budget (i.e. rate stabilization, debt service reduction, to balance the budget, etc.). If the Authority's budget anticipates a use of Unrestricted Net Position, this question must be answered.

The Housing Authority does not anticipate using Unrestricted Net Position during the upcoming year. Rather, the HA is budgeting to increase the reserves by \$12,736.

2024 HOUSING AUTHORITY BUDGET MESSAGE & ANALYSIS

Hightstown Housing Authority

FISCAL YEAR: January 01, 2024 to December 31, 2024

Answer all questions below using the space provided. Do not attach answers as a separate document.

4. Identify any sources of funds transferred to the County/Municipality as PILOT payments, or a shared service and explain the reason for the transfer. Housing Authorities cannot transfer Unrestricted Net Position.

No funds were transferred to the County or Municipality except for the normal operating PILOT payment funded by HUD. The PILOT payment made in 2023 was \$42,193.

5. The proposed budget must not reflect an anticipated deficit from 2024 operations. If there exists an accumulated deficit from prior year's budgets (and funding is included in the proposed budget as a result of a prior year deficit) explain the funding plan to eliminate said deficit (N.J.S.A. 40A:5A-12). If the Authority has a net deficit reported in its most recent audit, it must provide a deficit reduction plan in response to this question.

The audit report for the year ended December 31, 2022 reflects a deficit of \$811,670 in Unrestricted Net Assets. This is strictly the result of the Housing Authority implementing GASB 68 and GASB 75 for Unfunded Pension Liabilities and Other Post Employment Benefits. These liabilities will be paid out over a long period of time and will require additional funding from HUD or some other source in order to make the payments. In addition, the HA has had a steady stream of years where it has been able to put money into reserves at year end. Since this trend is expected to continue due to vigilant management, the HA should be able to reduce the deficit over time.

(Prepare a response to deficits in most recent audit report pertaining to Deficits to Unrestricted Net Position caused by recording Pension and Post-Employment Benefits liabilities as required by GASB 68 and GASB 75) and similar types of deficits in the audit report.
